Return Reference	Explanation
Part X, Line 2	Accounting standards require the School to evaluate tax positions and recognize a tax liability (or asset) if the School has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The School has analyzed the tax positions taken and has concluded that as of June 30, 2015 and 2014, there are no uncertain positions taken or expected to be taken that would require the recognition of a liability (or asset) or disclosure in the financial statements. The School may be subject to audit by the Internal Revenue Service, however there are currently no audits for any tax periods in progress. As of June 30, 2015, the School believes they are no longer subject to income tax examinations for years prior to 2012.
