Schedule H, Part II Community Building Activities	At St Vincent's Health System, the Community Building activities range from financial assistance for local non-profits to economic development and health professions training. The health and wellness of the North Central Alabama community is at the core of all the community building activities that St Vincent's Health System reports. The community health approach of St Vincent's Health System focuses on systemic change in a community to lead individuals to make their own goals of health and wellness. This is demonstrated in programs like Hispanic Outreach and Access to Care. Economic, leadership and workforce development are a priority for maintaining a strong and viable culture for changes in health. According to Robert Wood Johnson Foundation, where individuals live, work and play are essential in determining their health outcomes. St Vincent's Health System commits significant community benefit resources to collaborating across disciplines and fields to promote communication and pathways to success for patients, associates and community members. St Vincent's chairs the Community Healthcare Provider Round Table as well as the Community Mental Healthcare Provider Round Table as an example of a shared responsibility to serve those who have barriers to care. Continued advocacy work around Medicaid expansion and other issues that affect the community are working to find ways in which various businesses and community organizations can collaborate for improvement. With a strong rural presence, physician recruitment for Medically Underserved Areas (MUAs) is vitally important for the continuation of medical care in outlying areas. The variety and scope of the community building activities of St Vincent's Health System shows an ongoing effort to serve as a leader in healthcare as well as a leader in the overall community improvement where we serve.

Schedule H, Part VI, Line 5 Promotion of community health	This report illustrates the significant degree to which St Vincent's Health System, through its four hospitals and Health & Wellness facilities, contributes to the positive health status of the communities we serve. The System's four hospitals include St Vincent's Birmingham, St Vincent's East, St Vincent's Blount and St Vincent's St Clair. Each hospital has a separate Tax ID number. Each makes an important contribution to caring for their community, including those who are underserved. As a member of Ascension Health, St Vincent's Health System continues to build and strengthen sustainable collaborative efforts that benefit the health of individuals, families and the community as a whole. The Health System's mission is to extend the healing ministry to of Christ. The hospitals of the health system further the mission through the delivery of patient services, care to the elderly and indigent, patient education, and health awareness programs for the community. Our concern for all human life and commitment to the dignity of each person leads us to provide medical services to all people in the community without regard to race, creed, national origin, economic status, or ability to pay. Based on our Core Values and in the spirit of principles adopted by Ascension Health, our Health System has taken proactive steps to address those issues that affect accessibility, the financing, and the delivery of health care to all persons, especially the uninsured, underinsured, and the underserved. The following chart demonstrates the significant number of patient days and the estimated unreimbursed cost of services provided by our four hospitals to the uninsured or underserved. FY15 Number of Licensed Beds - Number of Patient Days - Estimated unreimbursed Cost <table><tr><td>St Vincent's Birmingham</td><td>499</td><td>101,608</td><td>8,286,864</td></tr><tr><td>St Vincent's East</td><td>379</td><td>91,929</td><td>6,685,013</td></tr><tr><td>St Vincent's Blount</td><td>25</td><td>5,511</td><td>2,322,853</td></tr><tr><td>St Vincent's St Clair</td><td>40</td><td>7,243</td><td>2,646,642</td></tr><tr><td>Total</td><td>943</td><td>206,291</td><td>19,941,372</td></tr></table> St Vincent's Health System has a deep commitment to serving the community. We earmark a certain percentage of our yearly profits for charitable donations. Through this charitable donation program, we are able to support local chapters of national organizations such as the American Cancer Society, the American Heart Association, March of Dimes, and Susan G. Komen for the Cure. We also fund local programs and initiatives such as the United Way. Many of our executives serve on the boards of these organizations. We provide essential medical services to the community, train and recruit healthcare professionals to serve the needs of the broader community, provide appropriate charity services to those unable to pay for their health care needs, and provide services to other organizations that allow them to provide quality services to their patients or constituents. Some of these services include Liz Moore Low Vision Center located at St Vincent's East, Jeremiah's Hope Skills Program, Hispanic Outreach Ministry, Access to Care program and Elder Care Services program in which are all located at St Vincent's Birmingham. The goal of the Liz Moore Low Vision Center at St Vincent's East is to assist the person with low vision to use functional vision to the utmost capacity. A person with low vision may be legally blind but able to function with visual aids that enhance the remaining vision. With the assistance of magnification, and adaptations of the special low vision aids that are useful for certain daily tasks, the visually impaired person can function with less difficulty. The Vision Center provides services for the person with low vision. These services are designed to benefit a person's daily life activities, which may be hindered by the visual loss. St Vincent's Birmingham Jeremiah's Hope Skills Program focuses on training at-risk individuals, particularly women, for entry level jobs in the healthcare industry. Today, more than 500 people have graduated from Jeremiah's Hope, and most are still working in the healthcare industry. St Vincent's has also recently partnered with Jeff State Community College to begin identifying "under-employed" individuals from within our own workforce and training them to become nurses. Philanthropy allowed this revolutionary program to blossom and it has now become a model for other healthcare facilities nationwide. In 2003, St Vincent's Birmingham initiated a Hispanic Outreach program, La Sana Esperanza/The Healthy Hope, recognizing the changing demographics in Birmingham. This program provides health and medical assistance to the burgeoning Latino population, often an isolated sector of our community. By identifying and placing high-risk persons in our Access To Care Program, we are providing critical care for those in need in a fiscally responsible manner. We have provided health fairs, health screenings, health information, case management assistance, and language assistance to a myriad of persons within the community. Schedule H, Part VI, Line 5 Promotion of community health	he Birmingham community in order to break down the barriers that lead to poor health in the Latino population. The Access to Care Program is a healthcare option for the "working poor" in the Birmingham area, serving individuals who are employed but lack health insurance. The Clinic treats up to 350 patients at any given time, providing for all of their health care needs at no cost to the patient. St. Vincent's works with patients to identify ways to acquire insurance and screens patients based on a willingness to make life changes conducive to good health. This charity care is only made possible because of charitable gifts which provide the equipment, space and staffing the Clinic needs. The Clinic is a service for those patients who have no other options and is possible because of the many philanthropists who support this ministry. The St. Vincent's Birmingham Elder Care Services Program was created in response to a need expressed by a donor to St. Vincent's Foundation. That donor is a self-described Elder Orphan. She has few family members and no prospects to assist her with care as she ages. She worries about her future when the time comes when she is no longer able to drive herself to and from physician appointments and to the grocery store. She trusts St. Vincent's to care for her medical needs and wondered if there was a way for St. Vincent's to assist people like her who will need additional assistance as they age. The idea was presented to Susann Montgomery-Clark in the Foundation office, and after more than two years of focus groups and meetings with St. Vincent's associates, the project was officially launched. Initial funding was requested from a group of focus group members who were supportive and excited about the project and a grant was obtained from the Daughters of Charity to begin work on the outline of services that the Elder Care Services Program might provide. Just in its infancy, the Elder Care Program has hopes to become one that assists our original donor and those like her who will need support services in their twilight years. WE ARE CALLED TO - SERVICE OF THE POOR - GENEROSITY OF SPIRIT, ESPECIALLY FOR PERSONS MOST IN NEED - REVERENCE - RESPECT AND COMPASSION FOR THE DIGNITY AND DIVERSITY OF LIFE - INTEGRITY-INSPIRING TRUST THROUGH PERSONAL LEADERSHIP - WISDOM- INTEGRATING EXCELLENCE AND STEWARDSHIP - CREATIVITY-COURAGEOUS INNOVATION - DEDICATION - AFFIRMING THE HOPE AND JOY OF OUR MINISTRY. St. Vincent's Health System is made up of five facilities: St. Vincent's Birmingham, St. Vincent's Blount, St. Vincent's East, St. Vincent's St. Clair, and One Nineteen Health and Wellness. Together, we provide a special brand of high-touch, high-tech quality care to people in more than 40 different zip codes. Our healthcare family has an extensive network of skilled physicians and associates, as well as the most advanced technologies available.
