SUPPLEMENTAL INFORMATION	FMOLHS maintains two unfunded deferred compensation plans which meet the requirements of IRC Section 457(f) and IRC Section 409A. The plans provide for compensation to be deferred and paid upon the occurrence of certain events such as termination without cause, disability, death or attainment of a specific payment date. Participation in the plans is limited to certain executives and is subject to approval of FMOLHS board of directors or a designated committee of such board. No one listed on Part VII, Section A received a payment from the plans in the current year. Discretionary bonuses were paid with regard to persons listed on Part VII, Section A, Line 1A. Such bonuses are tied to meeting or exceeding specific performance goals.
PART I, QUESTION 3	The CEO's compensation is set by the compensation committee of Our Lady of the Lake Hospital, a related tax exempt organization. The HCCS board of directors designates the compensation committee, made up of independent board members, to review and set the compensation annually. The compensation committee obtains and relies upon comparable data including industry-wide compensation information provided by outside sources. The compensation committee reviews compensation packages and appropriate compensation is determined and approved. The basis for determination is then documented by the compensation committee.
