| II 9             | TLT has aquired and holds a number of conservation easements, each representing a legal interest in land owned by another person or entity, but representing TLTs right to monitor and protect the land for conservation purposes. TLT evaluates each easement for it conservation values and then ensures that the terms of the easements will adequately protect and preserve these values. Because of the unique nature of these assets, the impracticality of obtaining consistent and reliable estimates of the values ascribed to these interest, and consistent with the practices followed by enviornmental land trusts, the accompanying financial statement do not include any amounts for these property interests. TLT held 48 conservation easements on approximately 7,870 acres of land at June 30, 2015. |
| V 4              | Pursuant to the terms of the contracts with the TFC, the Endowment Investments are deemed to be the property of TFC. Accordingly, TLT records these assets as a beneficial interest in the assets held by the TCF. The contracts with the TCF stipulate the percentage of annual earning from the Funds that TLT is entitled to receive annually. Additionally, the contracts stipulate under what circumstances additional distributions can be paid to TFC from these funds. The TCF has the sole and final authority over decisions to honor request by TLT for distributions from these Funds to TCF.                                                                                                                                                                                                                |
| X 2              | TLT evaluates uncertain tax positions in accordance with ASC 740 whereby the effect of the uncertainties in tax positions would be recorded if the outcome was considered probable and reasonably estimable. TLT believes that it has appropriate support for any tax positions taken, and as such, does not have any uncertain tax positions that are material to the financial statements.                                                                                                                                                                                                                                                                                                                                                                                                                             |
