Return Reference	Explanation
Part II, Line 9 Organization Reporting of conservation easements	Westminster College obtained the easements as part of a purchase agreement with the City of Salt Lake recorded on March 10, 2011. The easements are on approximately 1 acre of the total 4.6 acres. Because the easements were part of the purchase, we do not separately account for them in the financial statements or footnotes.
Part III, Line 4 Description of organization's collections and how it furthers its purpose	The college received donations of collection and works of art. These collections further the college's exempt purpose by enhancing the educational experience for the students by using them for discussions and research in the classroom as well as for public exhibition.
Part V, Line 4 Intended uses of the endowment fund	The intended use of endowment funds is to provide scholarships to students and support the activities of the College through distribution of earnings to the operating fund in a manner consistent with donor restrictions.
Part X FIN48 Footnote	The College has been recognized by the Internal Revenue Service as an organization that is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code on its income other than unrelated business income. The College has also been recognized by the State of Utah as an organization exempt from state income taxation except to the extent of unrelated business income. Accordingly, no provision for income taxes is made in the financial statements. As required by US GAAP, the College has identified and evaluated its significant tax positions for which the statute of limitations remain open. The open tax years are the years ended June 30, 2012 through June 30, 2015 for federal tax purposes and Utah tax purposes. The College applied the more likely than not criteria to all tax positions and determined no material unrecognized tax benefits or liability should be recognized. In addition, there have been no material changes in unrecognized benefits as of June 30, 2015, and it is not expected that there will be a material change in the 12 months following June 30, 2015. There have been no related tax penalties or interest which would be classified as a tax expense in the statement of activities.
Part XI, Line 2d Other revenue amounts included in F/S but not included on form 990	Scholarships \$29528800 Expenses related to special event \$143117
Part XII, Line 4b Other revenue amounts included on 990 but not included in F/S	Scholarships \$29528800 Expenses related to special event \$143117
