Return Reference	Explanation
FORM 990, PART III, LINE 4A	<p>AspenPointe's board and Corporate Leadership Team approved a new set of key strategic initiatives in 2014-15 to meet our care challenges and provide new successes for the community. These areas directly relate to current community needs as well as the future paths of mental health and substance use treatment. Below are four key areas that we identified that help keep us moving in the right direction:</p> <ol style="list-style-type: none"> 1. Ensure Superior Patient Experience: We aspire for everyone in the community, who has contact with any of our services, to believe they have received the best possible service and treatment available. We want people to be able to refer friends and family members because of their personal experiences in our system of care. 2. Develop an Integrated Health Care System: We continue to develop partnerships across the community with medical practices in order to expand availability of primary care in our facilities, as well as make behavioral health care available in medical facilities throughout our area. We are fully committed to the future of whole person health care. 3. Create a Healthy and High-Performing Organization: This year, we have significantly increased the number of clinical staff to better meet the needs of our communities. We are also assuring that AspenPointe is a workplace of choice by focusing on the health and wellbeing of our own workforce. 4. Be the Premier Medicaid Provider: We have expanded our footprint in the community, as well as moved some of our rural offices into state-of-the-art facilities. We continue to provide services to the remainder of the community who have their own health insurance but maintain a major focus on the Medicaid population. We have developed excellence in meeting all Medicaid standards and requirements. Patient experience, outcomes and access are our objectives to achieve excellent customer service. These emphasized areas ensure that we continue on the right track to meet the needs of our three counties. <p>Also of note this last year, our AspenPointe Caf w on Catersource's National "Bright Idea" Award for its unique approach to recovery, culinary training and employment opportunities for clients. Additionally, the Heroes of Mental Health Luncheon raised funds for Mental Health First Aid. The proceeds allow for no-cost training in our community to help people recognize mental health and substance use disorders in crisis situations for both adults and youth. The health care landscape will continue to change at speeds and degrees with which we are not accustomed. Our strategies, goals and objectives will have to be altered accordingly. We will remain diligent in the coming years and determined to meet the health care needs of our community as we work together for a healthier future.</p>
