Return Reference	Explanation
Part II-B, Line 1i - Other Activities Description	CEAAC Adopts a legislative plan annually to pursue our core mission of assuring equitable funding of rural Alaska school construction and operations, and policies supporting improvement of low-performing rural schools. Primary efforts have focused on the State of Alaska's school construction funding system, to create equity with urban schools and to make technical and policy changes to law so the system will function as intended. We have also worked with the state administration and legislature on implementation of the constitutional lawsuit we successfully settled, which provides funding to low-performing rural schools to provide equal educational opportunity for the children enrolled there. Line 1i, Contractor compensation for organization's government relations director, who monitors legislative developments, provides strategic direction to the executive director and board members in settling legislative priorities.
