To provide compassionate, high quality, and accessible health care and to promote a healthy community

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? ☐ Yes ☒ No

If "Yes," describe these changes on Schedule O

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.

4a	(Code)	(Expenses \$ 71,866,847 including grants of \$ 252,500)	(Revenue \$ 92,218,289)
	Good Shepherd Health Care System (GSHCS) served 1,842 inpatients over 4,854 patient-days and 51,304 outpatients in fiscal year 2014-15, as well as 19,626 patients in our Emergency Center. Although reimbursement for services rendered is critical to the operations and stability of GSHCS, not all individuals have the ability to purchase essential medical services. In recognition of this, during FY 2014-15 GSHCS wrote off to collection \$1,929,398 valued at charges foregone as bad debt. Direct charity care to our community amounted to an additional \$2,707,097, valued at charges foregone. GSHCS provides care to persons covered by governmental programs at deeply discounted rates. Recognizing its mission to the community, services were provided to both Medicare and Medicaid patients. The unreimbursed value of providing care to these patients during fiscal year 2014-15 was \$46,156,377, valued at charges foregone. Our Emergency Center is open around-the-clock to all community members, visitors, and travelers, without regard to one's ability to pay.

Return Reference	Explanation
Part X, Line 2	GSHCS is organized as an Oregon non-profit corporation and has been recognized by the Internal Revenue Services (IRS) as exempt from federal income taxes under Internal Revenue Code Section 501(c)(3). GSHCS is annually required to file a Return of Organization Exempt from Income Tax (Form 990) with the IRS. In addition, GSHCS is subject to income tax on net income that is derived from business activities that are unrelated to its exempt purpose. GSHCS has determined it is not subject to unrelated business income tax and has not filed an Exempt Organization Business Income Tax Return (Form 990T) with the IRS to report its unrelated business taxable income. The Hospital believes that it has appropriate support for any tax positions taken affecting its annual filing requirements, and as such, does not have any uncertain tax positions that are material to the consolidated financial statements. The Hospital would recognize future accrued interest and penalties related to unrecognized tax benefits and liabilities in income tax expense if such interest and penalties are incurred. The Hospital's federal Form 990 and 990T filings are no longer subject to federal tax examinations by tax authorities for years before 2012.

Form and Line Reference	Explanation
Part I, Line 7	The charity care included in Part I, Line 7a is calculated by multiplying the ratio of cost to gross charges for the hospital by the gross uncompensated charges associated with providing charity care to its patients. The community health services, education and contributions in Part I, Lines 7e, 7f and 7i are based on actual expenses.

Form and Line Reference	Explanation
Part I, Ln 7 Col(f)	The amount of bad debt expense removed from the denominator of the calculation on Part 1, Line 7, column f was \$1,929,398

Form and Line Reference	Explanation
Part III, Line 2	Bad debt on line 2 is reported at charges

Form and Line Reference	Explanation
Part III, Line 3	Management considers historical write off and recovery information in determining the estimated bad debt provision. The organization estimates the amount of bad debt attributable to charity patients to be \$62,234. This estimate is based on an overall charity care percentage of gross revenue.

Form and Line Reference	Explanation
Part III, Line 4	Footnote from organization's financial statements The footnote that describes bad debt expense is found on page 9 of the attached audit report

Form and Line Reference	Explanation
Part III, Line 8	Medicare allowable cost is based on the Medicare cost report. The Medicare cost report is completed based on the rules & regulations set forth by Centers for Medicare and Medicaid Services. Good Shepherd Health Care System provides services to patients under the Medicare program knowing they will not recover all the costs associated with providing these services. Providing these services is essential to these patients and the community and increases their access to healthcare services. Therefore, the Medicare shortfall is considered a community benefit.

Form and Line Reference	Explanation
Part III, Line 9b	The organization's collection procedures requires a financial advisor to work with any patient who is identified as potentially being eligible for financial assistance prior to sending the account to collection. If during the course of the collection process the collection agency determines an account may be eligible for financial assistance, it is referred back to the hospital for further discussion with the patient or for write off. All further collection action is ceased.

Form and Line Reference	Explanation
Part VI, Line 2	Good Shepherd Health Care System has formed the Healthy Communities Coalition made up of St Anthony's, Umatilla and Morrow County Health Department personal and other community supporting agencies and contracted with the Hospital Council of Northwest Ohio to conduct a Umatilla and Morrow Counties Community Health Needs Assessment

Form and Line Reference	Explanation
Part VI, Line 3	Our financial counselors inform and educate the people we serve with respect to charity care and governmental assistance programs. All patients and responsible parties, where possible, are apprised of the availability of financial counseling services at the time and point of service. We have arranged our patient flow to maximize the convenience of visiting our financial counselors as part of the Good Shepherd treatment regime. In addition, the financial assistance policy is provided in writing to the patients upon request, and when the Hospital is able to identify a potential FAP-eligible individual upon admissions.
