Part V, Line 4 Intended uses of the endowment fund	BOARD DESIGNATED The Organization's Board of Directors has established a policy by which it evaluates the amount of the Organization's net assets available to sustain its mission and a board designated fund to maintain adequate reserves. Unrestricted and temporarily restricted assets are needed to fund programs in the event that the receipt of grant monies are delayed, fundraising efforts are less than expected or a program temporarily loses funding. Since several of the Organization's primary programs are heavily dependent upon grants from governmental agencies, the Board has decided that the Organization's unrestricted reserves should be sufficient to provide six months of operating expenses, one year of fundraising support to avoid the necessity of selling any operating assets. Resources designated by the Board for this purpose are considered unrestricted, as the designation is self-imposed. The amount of this board designated fund totaled \$870,000 at June 30, 2015. TEMPORARILY RESTRICTED Program grant under which some of the terms of the grant have not yet been fulfilled. The amount of temporarily restricted net assets totaled \$17,000 at June 30, 2015.

	Form 990, Part III, Line 4d Other Program Services Description	OTHER PROGRAM SERVICES 4 Outreach and Education is an important part of ending domestic violence in our community. We provide domestic violence and sexual abuse prevention and education programs to schools, under-served populations, employers, social service organizations, and the general public in an effort to help the community identify and understand the dynamics of domestic violence and sexual abuse, and where to get help if they need it. During the fiscal year we provided 49 presentations to the community on various aspects of domestic violence, including prevention, education and services available. These presentations were attended by 4,079 attendees. OTHER PROGRAM SERVICES 5 The NEWS Volunteer Program provides two 60-hour training sessions per year, free of cost, for those interested in becoming Domestic Violence and Sexual Assault Counselors. Volunteer opportunities include becoming a member of the Domestic Violence Response Team. The Domestic Violence Response Team Program utilizes a team of trained domestic violence and sexual assault counselor volunteers to respond immediately to victims of domestic violence or sexual assault at the request of law enforcement. They go either directly to the scene of an incident or to a designated safe location. The counselors provide emotional support, information, safety planning, and resources. They work with each client to develop a plan for follow-up services. Volunteers may also help in providing court advocacy services and working at the safe house on the 24-hour crisis line. We trained 26 volunteer Domestic Violence Counselors during our fiscal year. Volunteers provided our organization with an average of 306 hours of service per month. OTHER PROGRAM SERVICES 6 The Sexual Assault Victim Services (SAVS) Program is the Rape Crisis Center serving survivors of sexual abuse throughout Napa County. This program provides 24-hour immediate response by trained Rape Crisis Counselors for both adult and child survivors of sexual abuse and their family members. SAVS offers support and advocacy through the criminal justice process, assistance with filing for Victim of Crime Compensation, counseling and support groups. During the fiscal year, we received 91 phone calls on our 24-hour crisis line, rendered 233 immediate responses, and filed 107 Crime Compensation forms on behalf of clients. OTHER PROGRAM SERVICES 7 The Kids Exposed to Domestic Violence Program (KEDS) provides several components to assist children who have been exposed to violence at home. Children are assessed and are offered resources to build protective factors and reduce risk factors for future adverse affects as a result of exposure to violence. Follow-up and support is offered to non-offending parents to assist in children's individualized case plan. Parents receive education and information on how they can build protective factors for their children, and children may participate in NEWS' Kids Club weekly support groups where a curriculum is offered to help build safety and self-esteem while doing fun and creative activities. During the fiscal year 60 children participated in weekly support groups, and 20 women and 39 children received other services under this program. OTHER PROGRAM SERVICES 8 The Safe Solutions program is designed to work specifically with women who have co-occurring domestic violence, drug or alcohol dependency issues and/or mental health issues. There is a strong emphasis on working toward successful connections to resources that support their recovery and healing.
