Part IV

Supporting Organizations (continued)

Section B. Type I Supporting Organizations

	Yes	No
1 Did the directors, trustees, or membership of one or more supported organizations have the power to regularly appoint or elect at least a majority of the organization's directors or trustees at all times during the tax year? If "No," describe in Part VI how the supported organization(s) effectively operated, supervised, or controlled the organization's activities. If the organization had more than one supported organization, describe how the powers to appoint and/or remove directors or trustees were allocated among the supported organizations and what conditions or restrictions, if any, applied to such powers during the tax year.		
2 Did the organization operate for the benefit of any supported organization other than the supported organization(s) that operated, supervised, or controlled the supporting organization? If "Yes," explain in Part VI how providing such benefit carried out the purposes of the supported organization(s) that operated, supervised or controlled the supporting organization.		

Section C. Type II Supporting Organizations

	Yes	No
1 Were a majority of the organization's directors or trustees during the tax year also a majority of the directors or trustees of each of the organization's supported organization(s)? If "No," describe in Part VI how control or management of the supporting organization was vested in the same persons that controlled or managed the supported organization(s).		

Section D. All Type III Supporting Organizations

	Yes	No
1 Did the organization provide to each of its supported organizations, by the last day of the fifth month of the organization's tax year, (1) a written notice describing the type and amount of support provided during the prior tax year, (2) a copy of the Form 990 that was most recently filed as of the date of notification, and (3) copies of the organization's governing documents in effect on the date of notification, to the extent not previously provided?		
2 Were any of the organization's officers, directors, or trustees either (i) appointed or elected by the supported organization(s) or (ii) serving on the governing body of a supported organization? If "No," explain in Part VI how the organization maintained a close and continuous working relationship with the supported organization(s).		
3 By reason of the relationship described in (2), did the organization's supported organizations have a significant voice in the organization's investment policies and in directing the use of the organization's income or assets at all times during the tax year? If "Yes," describe in Part VI the role the organization's supported organizations played in this regard.

SCHEDULE H, PART V, SECTION B, LINE 11	In 2011, Kingman Hospital Inc (KHI), in partnership with the Mohave County Department of Public Health (MCDPH), began the ongoing community health assessment and community health improvement planning process in Mohave County, AZ Since then, KHI has actively participat ed with community stakeholders to identify and address health and quality of life issues i n Mohave County, AZ Our process involves performing a community health assessment and dev eloping a community health improvement plan every three years As a result of our initial community health assessment, which was published in 2013, KHI and MCDPH have led a coaliti on of community stakeholders in identifying priority health issues and in formulating comm unity task forces to address the issues These task forces continue to meet on a regular b asis to set goals, objectives, and implement actions for improvement KHI continues to lea d and be an active participant in the community task forces to address priority health iss ues selected by community stakeholders and assist however possible in meeting community-di rected goals The current issues selected by community stakeholders, corresponding task fo rces, goals, and KHI activities are described below A Economic Conditions Economic insecur ity is often associated with poor health Mohave County's high rates of poverty, unemplo yment, and lack of educational achievement create barriers for accessing health services, healthy food, recreation, and other necessities that contribute to a healthy lifestyle Mo have County Economic Task Force Goal Strengthen new and existing businesses within Mohave County through education and one-on-one assistance utilizing existing Economic Developmen t Agencies KHI Strategies 1) Maintain hospital growth and viability A healthy, growing hospital with more physicians and healthcare services is vital to the economy of Kingman a nd surrounding communities As the largest private employer in Mohave County, KHI has adde d 800 jobs to the Kingman economy over the past 10 years 2) Purchase goods and services f rom local vendors KHI gives priority to local businesses when procuring goods and service s for various hospital functions, advertising and promotion, facility expansion, and other hospital operations KHI spends over \$10 million annually with local vendors 3) Educate and employ local talent KHI gives priority to hiring local applicants when filling open h ospital positions We coordinate with local high schools to inform students of career oppo rtunities and partner with Mohave Community College and state universities to hire healthc are workers (nurses, medical technicians, etc) trained through their respective programs KHI funds scholarships to help local students who are pursuing careers in healthcare with their educational costs We also provide tuition reimbursement to current employees seeki ng further education to advance their careers 4) Support economic development, education, and job training efforts in our community KHI is an active member of the Kingman Chamber of Commerce, participates in various committees that focus on business development, and s upports education and job training efforts via scholarships, job shadowing and support of student organizations, such as HOSA (Health Occupation Student Association) in our local h igh schools B Youth Risk/Protective Factors The results of the community health assessme nt as reported in the Community Health Profile for Mohave County, 2013 show high rates of substance abuse, antisocial behavior, and delinquency among Mohave County youth as compare d to state and national statistics Therefore, our community coalition has chosen to addre ss risk factors that can lead to problem behaviors among children and adolescents in our c ommunity Mohave County Youth Task Force Goal Reduce youth risk factors and increase yout h protective factors in Mohave County KHI Strategies 1) Provide training and education t o new parents KHI provides culturally-appropriate information and education to new parent s in our community to help increase family bonding and other protective factors in their c hild's life 2) Provide outreach in schools to educate children on healthy living skills Through KHI's Kare Bear program, we use a fun and engaging approach to educate local child ren on the importance of living healthy Kare Bear visits local classrooms to talk about a nd demonstrate such topics as sun safety, hand hygiene, bike safety and helmet use, water safety, cough etiquette, oral hygiene 3) Encourage physical fitness at community elementa ry schools KHI sponsors a physical education program called Project Fit America at five e lementary schools in Kingman The program includes equipment, teacher training, curriculum , and other resources to help kids be active and healthy 4) Provide free general health s creenings at local schools and at special outreach events Resident doctors with KRMC's Fa mily Practice Residency program visit each of Kingman's middle schools and high schools du ring the school year providing students a free basic physical, as well as information on m aking good healthcare choices and providing a forum for the students to talk about their h ealth concerns They also provide free immunizations, height and weight measurements at th e hospitals annual "Kids Day Health Expo" where an average 800 children participate 5) Pr ovide youth opportunities for positive community engagement through the KHI Volunteen prog ram KHI's youth volunteer program (Volunteens) provides high school students (ages 14 to 19) an opportunity to serve the community in many areas of KRMC- nursing, wellness center, laboratory, physician offices, nutrition services, and day care center 6) Provide job sh adowing to students interested in health-related occupations In partnership with Kingman High School's HOSA (Health Occupations Students of America) program, KHI hosts hundreds of high school students every February who spend a day with hospital technologists, nurses, doctors, or administrators to observe their work activities 7) Encourage youth responsibi lity and safety through the Safe Sitter program KHI provides Safe Sitter training to area youth This well-rounded youth development program aims to reduce the number of avoidable and unintentional deaths among children being cared for by babysitters Program graduates are able to handle emergencies when caring for younger children and are equally equipped with the tools needed to stay safe when home alone C Substance Abuse & Mental Health The results of the community health assessment as reported in the Community Health Profile fo r Mohave County, 2013 show high rates of substance abuse and mental health problems among Mohave County adults as compared to state and national statistics Unfortunately, most of rural America is without the necessary resources to adequately address the pandemic increa se in people who are impacted by mental health and substance abuse problems As stakeholde rs continued to meet on these topics, we ended up creating two different task forces with separate goals Mohave County Substance Abuse Task Force Goal Reduce the misuse, abuse, a nd availability of prescription drugs in Mohave County Mohave County Mental Health Task F orce Goal Improve the wellbeing of Mohave County residents by increasing knowledge of men tal health professional services and community resources and reducing the stigma related t o mental illness KHI Strategies 1) Implement Arizona's Prescription Monitoring Program i n Mohave County The substance abuse task force is led by a KHI pain management physician, Dr Sarah Knievel In collaboration with the Kingman Police Dept and other community sta keholders, the task force is working with area physicians and other prescribers to partici pate in a computerized central database for tracking the prescribing, dispensing, and cons umption of Schedule II, III, and IV controlled substances in Arizona The effort involves providing information to medical practitioners, pharmacists, and patients to help avoid th e inappropriate use of prescription medications It also involves providing appropriately secured drop boxes in the community for unused medications and an aggressive public educat ion campaign on the dangers of misusing prescription drugs 2) Increase knowledge and awar eness of mental illness to both public and professional audiences The mental health task force is led by a KHI psychiatric nurse, Maria Luna-Wolf In collaboration with area menta l health providers and other community stakeholders, the task force is developing a direct ory of mental health resources in our community Additionally, the task force is developin g educational materials and provides presentations to community groups to increase public knowledge of mental health and to decrease mental illness stigma D Accessible/Affordable Healthcare Access to health resources is critical to the health of our community's reside
