A substantial portion of executive compensation is performance based and is linked to organizational goals approved in advance by the Human Resources and Compensation Committee. These goals include attainment of annual and long-term financial performance, certain healthcare quality standards and Dignity Health's commitment to serving the poor and disenfranchised in the communities it serves. Total compensation, which includes base salary, annual and long-term incentive compensation, is established to approximate the prevailing market conditions for executives of companies of similar size, revenues and complexity.
