Early Education: Westside Children's Center's early education programs, which include a California State Preschool and an Early Head Start, provide high-quality early education for more than 400 children (ages 0 to 5) from very-low-income families at our state-of-the-art early education center, through our network of licensed home-based education providers, and in individual family homes. WCC's highly-qualified teachers, child development specialists, and education managers design developmentally appropriate and individualized lessons with a STEM (science, technology, engineering, and math) and literacy focus and engage in regular professional development. Children receive a healthy breakfast, lunch, and snack and spend time exploring in our organic learning garden. (See Sch. O) Our programs prioritize family engagement and involve parents in their children's learning and growth through volunteer opportunities, parent counseling, and access to our comprehensive services. WCC maintains a low staff-to-child ratio in our inclusive, bilingual classrooms to ensure every child's healthy social-emotional, cognitive, and physical.

Child Welfare: WCC has four contracts with the Los Angeles County Department of Children and Family Services (DCFS) to provide intensive Family Preservation, Prevention and Aftercare, and Foster Care and Adoption services to over 300 families annually. Our highly trained staff works with families to protect children who have been or who are at risk of being abused or neglected through individual and family counseling, including substance abuse, mental health, and domestic violence psychoeducational counseling, parent-child education, and extensive case management. We also recruit, train, and support foster and foster-adoptive parents who provide children with nurturing, educationally rich homes.

Part X, Line 2	The Center is exempt from taxation under Internal Revenue Code Section 501(c)(3) and California Revenue and Taxation Code Section 23701d. Generally accepted accounting principles provide accounting and disclosure guidance about positions taken by an organization in its tax returns that might be uncertain. Management has considered its tax positions and believes that all of the positions taken by the Center in its federal and state exempt organization tax returns are more likely than not to be sustained upon examination. The Center's returns are subject to examination by federal and state taxing authorities, generally for three and four years, respectively, after they are filed.
