Form 990, Part III, Line 1 - Organization Mission

Culinary Partners was created to meet the purchasing, training and support needs of school district food service programs.

Culinary Partners works with partner school districts to 1) assess food service program strengths, weaknesses and opportunities and will develop recommendations for action that each district can pursue to increase quality, efficiency or other aspects of school food service and delivery; 2) either facilitate training partnerships with culinary institutes or provide customized culinary training for cafeteria staff; and 3) provide a network to share recipes and menu rotations and successes and pitfalls to serve as an avenue for problem solving.

Form 990, Part III, Line 4a - Program Service Accomplishments

Culinary Partners collaborated with Spartanburg District 6 and Greenville Technical College to train 91 school food service staff members in 2014 to prepare for a district-wide overhaul of the cafeteria program. The District committed to increasing the quality of the food and preparing scratch-made, healthy and tasteful recipes that students and faculty enjoyed. The training was a success, as was the launch of the program at the beginning of the school year. District 6 administrators reported that food sales were up in the first two months of the school year.

In 2015, Culinary Partners expanded its training and support services to the Pee Dee. Through a partnership with the Culinary Arts Department at Horry Georgetown Technical College, approximately 40 cafeteria staff from Georgetown County Schools enthusiastically completed a week of training.
