Accordingly, no provision for income taxes has been included in the accompanying financial statements. The Organization follows FASB accounting standards for uncertainty in income taxes. These standards require that uncertain income tax positions be more likely than not before the amounts are recognized in the financial statements. The Organization has assessed its federal and state tax positions and determined there were no uncertainties or possible related effects that need to be recorded as of and for the years ended August 31, 2015 and 2014. Open Years -- The federal and state income tax returns of the Organization are subject to examination by the respective taxing authorities generally for three years after they were filed. Income Tax Penalties and Interest Policy -- Penalties and interest assessed by income taxing authorities are included in operating expenses. The Organization did not incur income tax penalties or interest for the years ended August 31, 2015 and 2014.
