Also complete this part to provide any additional information (see instructions).

Part I, Line 2 - Procedures for Monitoring the Use of Grant Funds

Blessings International monitors the use of non-cash assistance to other organizations and partners through its Pharmaceutical Application process. Each organization is required to complete a Pharmaceutical Application before pharmaceuticals are delivered to that organization. The Christian mission or qualified organization must document the country or region where the pharmaceuticals will be distributed and that adequate arrangements are in place for the ultimate distribution of those pharmaceuticals. Each Pharmaceutical Application must be signed by the recipient's medical team primary physician or a medical professional and proof of certification must also be provided. For ongoing clinics, only an initial application is required. At the conclusion of a mission trip, a "feedback" form is requested which provides information about the utilization of medicine, the disposition of any unused medicine, and the success of the mission trip.

For financial statement reporting purposes, noncash assistance is reported based on the actual purchase cost of the pharmaceutical products, including freight and any customs fees and duties associated with products imported from overseas suppliers, as well as an allocation of processing costs of bulk-purchased imported items for sorting, bottling and labeling.
