The accounting system has the capability of identifying the receipt and expenditures of program funds and program income separately for each DSHS contract/program attachment. Transactions are organized by Grant with Subclasses as appropriate and by expense type. Liabilities are encumbered in the system when PO's are issued; through the use of creating Bills in QuickBooks and this allows us to monitor the current commitments. When an invoice is paid, the liability is removed and the check is recorded. When the Grants awards are confirmed, the Revenue is recorded and the receivable is recognized. Cash payments are used to reduce the outstanding receivable.
