Part I, Line 1a Relevant information in regards to selections on 1a	Tax Indemnification and Gross-up Payments Lifespan Physician Group purchased professional liability prior acts coverage for certain newly-hired physicians in calendar year 2014. Premiums were paid to insurance carriers by the insureds on an after tax basis. The income associated with the premiums is grossed-up to cover the total cost of the benefit as provided in their employment contracts and is included in Medicare wages, more specifically on Schedule J, Part II, Column B (iii).
Part I, Line 7 Non-Fixed payments not listed above	The Lifespan Annual Incentive Compensation Plan provides a financial award opportunity for designated members of management, based on quantified objectives that are approved in advance by the Compensation Committee of the Lifespan Corporation Board of Directors. A specified level of financial and non-financial performance must be met before any award is earned. The objectives vary from year to year and generally include various aspects of financial measures in addition to non-financial performance measures. For certain participants in the Annual Incentive Compensation Plan, the award opportunity is divided into two pools. The first pool represents 70% of any earned incentive award, based on the achievement of the team performance objectives. The remaining 30% pool is distributed on an individual basis to participants at the discretion of the CEO, in each case subject to approval by the Compensation Committee of the Lifespan Corporation Board of Directors. Additionally, certain physicians and executives participate in incentive compensation plans arranged through individual contractual agreements which stipulate non-fixed payments based on meeting criteria based on various quality and productivity markers.
