Return Reference	Explanation
Part V, Line 4	The purpose of the organization's endowment fund is to grow the corpus of the fund with the unrestricted earnings from the invested endowment funds used to support the mission of the organization.
Part X, Line 2	The Parent, Medical Center, and Foundation have been recognized by the Internal Revenue Service as tax-exempt organizations as described in Section 501(c)(3) of the Internal Revenue Code of 1986. Income earned in furtherance of the organizations' tax-exempt purposes is exempt from federal and state income taxes. Income taxes related to Ventures, a taxable entity, and the Health System's ownership interests in joint ventures are not material to the Health System. U.S. GAAP requires the Health System's management to evaluate tax positions taken by the Health System and recognize a tax liability (or asset) if the Health System has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Health System has analyzed the tax positions and has concluded that as of September 30, 2015, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the consolidated financial statements or disclosure in the notes to the consolidated financial statements. The Health System is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress. The Health System believes it is no longer subject to income tax examinations for years prior to 2010.
