Return Reference	Explanation
Part X, Line 2	The Corporation and its consolidated entities are organized as Minnesota nonprofit entities and are annually required to file a Return of Organization Exempt from Income Tax (Form 990) with the IRS. In addition, all entities are subject to income tax on net income that is derived from business activities that are unrelated to their exempt purpose. The Corporation has determined it is not subject to unrelated business income tax and has not filed an Exempt Organization Business Income Tax Return (Form 990T) with the IRS. The Corporation believes that it has appropriate support for any tax positions taken affecting its annual filing requirements, and, as such, does not have any uncertain tax positions that are material to the financial statements. The Corporation would recognize future accrued interest and penalties related to unrecognized tax benefits and liabilities in income tax expense, if such interest and penalties are incurred.

Form and Line Reference	Explanation
Part I, Line 7	Charity care expense was converted to cost on line 7a based on an overall cost-to-charge ratio addressing all patient segments. Unreimbursed Medicaid on line 7b was calculated using the costing methods to prepare the cost reports. Community health improvement services, line 7e, health professions education, line 7f, and cash and in-kind donations, line 7k were actual expenses compiled using the CBISA software. The cost for subsidized health services reported on line 7g was determined using the Medicare cost report.

Form and Line Reference	Explanation
Part I, Ln 7 Col(f)	The amount of bad debt expense removed from total expenses to determine the percentage was \$3,195,069

Form and Line Reference	Explanation
Part II, Community Building Activities	Community building activities allow Winona Health Services to better assist the community it serves through better patient access, improving quality of care, and assisting those vulnerable populations in a way that makes their livelihood a little easier. These activities also allow the community and staff to be better prepared if a disaster or emergency were to strike. These activities allow Winona Health Services to be as prepared as possible to best assist the community we serve. Programs like Healthy Kids Club involve several community partners to address this health issue in our community, without putting the focus specifically on weight loss. Healthy Kids Club is a free, fun, community-wide program designed to encourage children ages 5 to 12 to live healthy - from making healthful food choices to maintaining active lifestyles. Area schools and nine area nonprofit organizations such as the Family YMCA, Winona County Parks and Recreation and Winona State University are strong community partners. Involvement with local schools through career exploration and tours of our Organization promotes the importance of healthcare and serving our community. We exist to care for those who need us and share this message with students thinking of entering the healthcare field. Our staff worked closely with Winona Workforce Center to help train their clients and supervise them in various jobs. Community outreach is something encouraged for all staff because it's not only the right thing to do, but it is part of our mission as well.

Form and Line Reference	Explanation
Part III, Line 2	WHS determines bad debt expense by estimating what may not be collectible from patient balances after taking into account appropriate discounts and payments (uninsured discount, eligible charity care discounts/adjustments, and payments received and expected to be received) Payments on accounts that were written off as bad debt reduces bad debt expense in the current year Bad debt expense is reported at charges as recorded by the organization

Form and Line Reference	Explanation
Part III, Line 3	WHS is estimating that 40% of bad debt accounts would likely qualify for the Organization's charity care guidelines if the patient would have been identified and followed through on the application process. This percentage is based on historical knowledge on those being provided applications and those actually completing the applications to qualify.

Form and Line Reference	Explanation
Part III, Line 4	The footnote to the organization's financial statements that describes bad debt expenses is located on page 8 of the attached financial statements

Form and Line Reference	Explanation
Part III, Line 8	WHS provides services to patients under the Medicare program knowing they will not recover all the costs associated with providing these services. Providing these services is essential to these patients and the community and increases their access to healthcare services. Therefore, the entire Medicare shortfall is considered a community benefit. The Organization reported only those allowable costs and Medicare reimbursements reported in the Medicare cost report for the year. Total revenue received from Medicare is the gross reimbursement plus settlement. Both total revenue received from Medicare and the Medicare allowable costs are reported from the Medicare Cost Report. The Medicare Cost Report is completed based on the rules and regulations set forth by Centers for Medicare and Medicaid Services.

Form and Line Reference	Explanation
Part III, Line 9b	In keeping with the mission, vision and values of Winona Health Services, our Organization is committed to giving a patient every opportunity to pay their medical debt in full or to make arrangements based on organizational policy. When a patient is in the process of applying for financial assistance, whether charity care or an interest free payment plan, there will be no collection efforts. Collection efforts include phone contacts, letters, patient interviews and filing a judgement against the patient and potential garnishment of wages. After a determination of financial assistance, any personal portion due follows the same collection procedures as other accounts.

Form and Line Reference	Explanation
Part VI, Line 2	Winona Health Services (WHS) uses a variety of methods to listen to its customers, and the methodologies vary by customer groups. The development of most major services includes the meeting of a community advisory group to assess operations and plans and provide recommendations to the leadership team. WHS also uses point of care feedback comment cards, focus groups, advisory committees comprised of community individuals, and web and consumer newsletter surveys to capture feedback from patients/residents and community. Immediate feedback is obtained from patients/residents and community through pre- and post-service calls, rounding, and informal surveys. WHS also works with local non-profit organizations gathering feedback from local agencies and their boards to ensure community needs are being met. WHS and Winona County Public Health began working on the Community Health Needs Assessment in late FY 2012 and the report was published during FY 2013. The entire report is available on the Winona Health website.

Form and Line Reference	Explanation
Part VI, Line 3	WHS places pamphlets that contain information about our charity care programs and policies throughout the Organization, including all patient access areas. In addition, information can be found on our website or by calling the WHS business office either locally or toll-free. WHS also sends out a cover letter with all first time self-pay statements which explains options for charity care, government program assistance, and our uninsured discount program. In addition, the WHS social services department and/or a contracted patient advocate may meet with in-house or recently discharged patients to go over all the payment options which include charity care, governmental programs, or other alternative payment options. WHS works with the county to help initiate a screening process for applying for governmental programs by offering the patients an opportunity to lock in an effective date for those programs if subsequently found eligible. WHS also is contracted with MNSure and has Certified Application Counselors onsite to assist patients in applying for insurance coverage through the State run exchange.

Form and Line Reference	Explanation
Part VI, Line 4	WHS defines its primary service area as the zip code of Winona and the immediate surrounding area with a population base of approximately 35,000 residents. Its secondary service area encompasses a 20-mile radius from Winona representing another 12,000 residents. WHS is located between two large, well-known tertiary health care centers, Mayo and Gundersen Lutheran. WHS has focused on fulfilling its community need—a full primary care facility. WHS defines itself as a primary care health system and provides its patients and residents connections to tertiary level services to meet their needs regionally or nationally, as the patient chooses. In 2010, Winona had a median household income of \$36,296 and 22.3% of persons were below the poverty level. The majority of our patients live in Winona which has a population of over 27,000 people. Approximately 20% of our patients are uninsured and/or Medicaid recipients.

Form and Line Reference	Explanation
Part VI, Line 5	WHS offers emergency and urgent care, primary care for all ages, surgical and specialty care, inpatient care, and senior services. Our Board is comprised of physicians and primarily community members. The Board and medical staff are involved in our strategic planning which focuses on the health of our community members. To meet the needs of our community, the Hospital extends privileges to medical staff that are qualified through licensure in the state of Minnesota. We are involved in several on-site and off-site health fairs offering free blood pressure checks, glucose screenings and staff expertise on health questions. We also provide free community health talks for community members on certain health topics. Excess funds are reinvested and used for patient care and facility upgrades. Additional programs that benefit the community include Health Professional Training. Winona Health Services works closely with nurse and health professional education programs at Winona State University, St. Mary's University and Southeast Technical College. Along with training LPNs and RNs on site, other students going into fields of athletic training, social work, nutrition, lab, radiology, physical therapy and bio med are also educated and mentored on site. Approximately 1,890 students work with staff in the following departments: medical/surgical/pediatric unit, family birth center, intensive care unit, emergency department, lab, radiology, social workers, physical and occupational therapy and bio med Preventive Care. WHS encourages preventive care through a number of resources. Winona Health Online is a free web-tool that allows patients to have access to their Winona Health Services records any time, anywhere with an internet connection. Patients can document their health history, access diabetes and asthma management programs, receive lab test results, and track wellness activities. Winona Health Services offers a number of educational opportunities for the community, from CPR classes to free or low-cost screenings including prostate cancer, cholesterol, depression, and mammograms. WHS is the main sponsor for a community-wide diabetes expo. Community Health Talks provide individuals with educational information on a variety of health topics and are free throughout the year. The Winona Health Services Occupational Health department presents various preventive programs geared toward business leaders and HR professionals. The department teams up with physicians and local experts to provide information on a wide variety of business-related topics such as drug use in the work place, ergonomics, worker's compensation and more. These are free and well-attended. The staff also participates in many community collaborative healthcare events. Employee Health. The Healthy U Program is a health management incentive initiative designed to support and encourage healthy activities for our employees and families. The program reinforces the emphasis on prevention, aiming to improve their health and well-being. Wellness evaluations by a certified health advisor are offered free to staff. Employees can earn credits tied to completion of predetermined activities specific to their health goals which could result in an up to \$600 savings in health plan premiums. In its eighth year, Healthy Kids Club is a community-wide program for children 5-12 and focuses on teaching children the importance of health and wellness at an early age. Collaborating with other organizations in the community, the program is free and has serviced over 10,000 children and families, provided over 9,000 healthy snacks since its official inception in 2007. WHS has spent over \$141,000 on this activity since 1996. Area schools and nine area nonprofit organizations such as the Family YMCA, Winona County Parks and Recreation and Winona State University are strong community partners. Emergency Care. WHS provides 24-hour-a-day, 365-days-per-year emergency care to the community. It employs seven full-time physicians and several mid-level providers as the service continues to grow. Winona Health Services has excellent relations with neighboring tertiary facilities and transports patients as needed to La Crosse and Rochester. Community Relations. WHS works with area nonprofit organizations to support health and youth-related activities. In FY 2015, staff spoke to 4,000 individuals through our outreach speaker's bureau. Staff members are also involved in several non-profit committees, donating their time to support our community. Community Education. WHS's community education programming includes free or reduced-fee classes on childbirth and parenting, support groups for breastfeeding, cardio-pulmonary resuscitation, diabetes prevention, first aid, and smoking cessation. In FY 2015, WHS served 1,000 individuals through these classes. Staff at local health fairs served 500 individuals, often offering free blood sugar and blood pressure screenings.
