1 a Complete this table for all persons required to be listed. Report compensation for the calendar year ending with or within the organization's tax year.

- List all of the organization's **current** officers, directors, trustees (whether individuals or organizations), regardless of amount of compensation. Enter -0- in columns (D), (E), and (F) if no compensation was paid.

- List all of the organization's **current** key employees, if any. See instructions for definition of 'key employee.'

- List the organization's five **current** highest compensated employees (other than an officer, director, trustee, or key employee) who received reportable compensation (Box 5 of Form W-2 and/or Box 7 of Form 1099-MISC) of more than \$100,000 from the organization and any related organizations.

- List all of the organization's **former** officers, key employees, and highest compensated employees who received more than \$100,000 of reportable compensation from the organization and any related organizations.

- List all of the organization's **former directors or trustees** that received, in the capacity as a former director or trustee of the organization, more than \$10,000 of reportable compensation from the organization and any related organizations.

List persons in the following order: individual trustees or directors; institutional trustees; officers; key employees; highest compensated employees; and former such persons.

☐ Check this box if neither the organization nor any related organization compensated any current officer, director, or trustee.

| 1 Did the directors, trustees, or membership of one or more supported organizations have the power to regularly appoint or elect at least a majority of the organization's directors or trustees at all times during the tax year? If 'No,' describe in Part VI how the supported organization(s) effectively operated, supervised, or controlled the organization's activities. If the organization had more than one supported organization, describe how the powers to appoint and/or remove directors or trustees were allocated among the supported organizations and what conditions or restrictions, if any, applied to such powers during the tax year. | 1   |    |
| 2 Did the organization operate for the benefit of any supported organization other than the supported organization(s) that operated, supervised, or controlled the supporting organization? If 'Yes,' explain in Part VI how providing such benefit carried out the purposes of the supported organization(s) that operated, supervised, or controlled the supporting organization.                                                                                                                                                                                                                                                                             | 2   |    |

| 1 Did the organization provide to each of its supported organizations, by the last day of the fifth month of the organization's tax year, (1) a written notice describing the type and amount of support provided during the prior tax year, (2) a copy of the Form 990 that was most recently filed as of the date of notification, and (3) copies of the organization's governing documents in effect on the date of notification, to the extent not previously provided? | 1   |    |
| 2 Were any of the organization's officers, directors, or trustees either (i) appointed or elected by the supported organization(s) or (ii) serving on the governing body of a supported organization? If 'No,' explain in Part VI how the organization maintained a close and continuous working relationship with the supported organization(s).                                                                                                                           | 2   |    |
| 3 By reason of the relationship described in (2), did the organization's supported organizations have a significant voice in the organization's investment policies and in directing the use of the organization's income or assets at all times during the tax year? If 'Yes,' describe in Part VI the role the organization's supported organizations played in this regard.                                                                                              | 3   |    |

**Section E. Type III Functionally-Integrated Supporting Organizations**

- 1 Check the box next to the method that the organization used to satisfy the Integral Part Test during the year (see instructions):
- a ☐ The organization satisfied the Activities Test. Complete line 2 below.
- b ☐ The organization is the parent of each of its supported organizations. Complete line 3 below.
- c ☐ The organization supported a governmental entity. Describe in Part VI how you supported a government entity (see instructions).

2 Activities Test. Answer (a) and (b) below.

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | Yes | No |

| a Did substantially all of the organization's activities during the tax year directly further the exempt purposes of the supported organization(s) to which the organization was responsive? If 'Yes,' then in Part VI identify those supported organizations and explain how these activities directly furthered their exempt purposes, how the organization was responsive to those supported organizations, and how the organization determined that these activities constituted substantially all of its activities. | 2a  |    |
| b Did the activities described in (a) constitute activities that, but for the organization's involvement, one or more of the organization's supported organization(s) would have been engaged in? If 'Yes,' explain in Part VI the reasons for the organization's position that its supported organization(s) would have engaged in these activities but for the organization's involvement.                                                                                                                              | 2b  |    |
| 3 Parent of Supported Organizations. Answer (a) and (b) below.                                                                                                                                                                                                                                                                                                                                                                                                                                                            |     |    |
| a Did the organization have the power to regularly appoint or elect a majority of the officers, directors, or trustees of each of the supported organizations? Provide details in Part VI.                                                                                                                                                                                                                                                                                                                                | 3a  |    |
| b Did the organization exercise a substantial degree of direction over the policies, programs, and activities of each of its supported organizations? If 'Yes,' describe in Part VI the role played by the organization in this regard.                                                                                                                                                                                                                                                                                   | 3b  |    |

**Part V Type III Non-Functionally Integrated 509(a)(3) Supporting Organizations**

- 1 ☐ Check here if the organization satisfied the Integral Part Test as a qualifying trust on November 20, 1970. See instructions. All other Type III non-functionally integrated supporting organizations must complete Sections A through E.

**Part IV** Supplemental Information. Provide the information required in Part I, line 2, Part III, column (b), and any other additional information.**Part I, Line 2 - Procedures for Monitoring Use of Grants Funds in U.S.**

The Mid-Atlantic Regional Air Management Association, Inc. (MARAMA) reviews applications for assistance prior to award to ensure that established criteria will be met. To monitor performance, MARAMA maintains regular contact with recipients. In addition, for program assistance, quarterly reports are required. Technology deployment assistance is awarded to reduce diesel emissions and consists of a rebate for documented expenses for emission control equipment or a partial payment towards a larger expenditure or vehicle replacement. Payment is contingent upon proof of expenses for approved technology and, if applicable, proof that any engine or vehicle being replaced has been scrapped to prevent future use. MARAMA's funding agencies do not require monitoring after the project is completed and payment is released.

Organizing and Supporting Training Opportunities: In FY 2015, the Mid-Atlantic Regional Air Management Association, Inc. (MARAMA) helped member agencies develop and retain effective staff members by organizing and supporting technical training opportunities to help member agency staff understand pollution control requirements and monitoring methods. MARAMA organized 10 in-person training courses including Basic Inspector Training, Stack Testing, Enforcement Case Development & Resolution, two courses on NOx Emissions, NSR/PSD, Ambient Monitoring, Air Pollution Control Devices, Regional Haze SIP Training, and Permitting Practices & Principles. Additionally, MARAMA organized 6 meetings and workshops including an Asbestos coordination meeting, a coordination meeting on Fumigation, an Air Quality and Health Workshop, MARAMA's Science Workshop, and a Monitoring Committee Workshop. MARAMA organized and presented 18 on-line webinars with over 1,000 participants attending. The webinars covered topics including: AERMOD for Non-Modelers, On-line Tools for Monitoring Network Assessments, Introduction to Air Pollution Emission Inventory Preparation, Predicting Air & Health Impacts of Construction, Mobile Emissions True-Up, Clean Air Strategy for NY and NJ, SQL Basics for EMF Users, and EMF Growth and Control. 48 MARAMA members also attended 12 national and regional conferences and meetings with support from MARAMA.

Improving and Updating the Regional Emissions Inventory: To help member agencies work together and collaborate with nearby states, the Mid-Atlantic Regional Air Management Association, Inc. (MARAMA) prepared a regional inventory of air pollutant emissions for use in air quality modeling. MARAMA continued to work with state and local agencies and the US Environmental Protection Agency to update the regional inventory of air pollutant emissions for 2011, and then projected emissions for the

future years of 2018 and 2028. MARAMA facilitated use of the cloud-based Emissions Modeling Framework (EMF) to house the emissions inventory, identify and correct issues with the data, create specific files for special projects, apply growth and control factors, and transmit data to regional modeling centers. MARAMA organized frequent conference calls and webinars to coordinate preparation of the inventory, provide training on the use of the EMF, and provide organized feedback to EPA on issues related to emissions. MARAMA continued to focus on improving data for Electricity Generating Units (EGUs), on-road mobile sources, and oil and gas operations. MARAMA also helped members utilize the best available emissions inventory data for special projects. MARAMA established a contract with the University of North Carolina to add capability to the EMF cloud-based system so that MARAMA would be able to process data for on-road mobile sources using EPA's MOVES and SMOKE-MOVES modeling systems. MARAMA established a contract with CSRA to help prepare a Technical Support Document for the regional emissions inventory. MARAMA participated in EPA's national Emissions Inventory Conference, helping to provide training and presenting a paper on the ERTAC-EGU emissions forecasting tool, and MARAMA participated on several national work groups to improve the state-of-the-art for emissions inventories.

**Form 990, Part III, Line 4d - Other Program Services Description**

The Mid-Atlantic Regional Air Management Association, Inc. provided a forum and basis for cooperation among member agencies through activities that promote inter-agency communication, assist agencies in understanding and meeting applicable requirements, and enhance the use of up-to-date scientific methods.
