The Salvatore and Maria Pizzi Foundation

Part XV – The Foundation awarded specific amounts to local scholarship committees. The recipients are chosen by the scholarship committees. The committee selects the individuals and the amounts paid to each student. The students are told that the scholarship is renewable if a B grade level is maintained. With a majority of the awards, it was suggested that the Foundation would like the students to be in a science, technology, mathematics or engineering major (STEM).

The Foundation strives to maintain a diverse population of award recipients. Approximately 50% of the awards went to graduates of the City of Boston Public Schools. Each scholarship committee was told that the Foundation was interested in hardworking individuals who wanted to attend college on a full time basis.

No board person of the Salvatore and Maria Pizzi Foundation Inc. has any knowledge or any influence on the selection of the award recipients.
