Part IV Supplemental Information. Provide the information required in Part I, line 2, Part III, column (b), and any other additional information.					

The Board monitors actual expenditures via its budget review. Record keeping is the responsibility of each group managing an assistance category.

USDA and similarly controlled food distribution is monitored in accordance with donating agency policy with required reports submitted to those agencies.

Because Fish operates on a cash basis, though we do not figure the cost of food or supplies donated to us, these donations are logged. For kitchen meals and groceries, our client

assistance is significantly augmented by community and agency food donations - individuals, business/religious/school/community groups, US Post Office, Boy Scouts, etc.

The costs in columns (c) and (d) represent Fish's actual cash expenditures in support of the particular form of assistance. In the case of rent, utility, and pharmacy assistance, the cash

payments are made to the client's rental/utility/pharmacy company and not to the client. We minimize the risk of clients "double dipping" by coordinating assistance with other

community organizations

Kitchen meals are served daily on site and provided to all who come. The counts are based on sign-in logs, occasionally estimated.

Groceries assistance is provided to a family/single no more than once a month - 3 full bags. Rent, utility, and pharmacy assistance are provided no more than once a year. In addition,

Fish provides Thanksgiving and Christmas baskets, providing a holiday meal for a family/single. Counts are based on logs.

Part VI, 11b) Typically via e-mail, each Board member is provided with a copy of the complete Form 990. Questions are addressed and any necessary changes are made. The Board is then provided with the updated Form via e-mail and asked to approve it, requiring a majority vote. The approval is noted in the Board minutes - next Board minutes if the approval is via an e-mail polling of Board members.

Part VI, 12c) Board members are required to promptly disclose any potential conflict of interest and refrain from participation in any Board action related to that conflict of interest. Since the Board has the sole responsibility for significant actions on behalf of Fish, Board monitoring and enforcement of conflict of interest policy is straight forward.

Part VI, 18, 19) The public access documents are made available on an as-requested basis, via a hardcopy of the requested documents. Some are posted on the website.
