Return Reference	Explanation
Part I, Line 3	Executive compensation, including that of the organization's Chief Executive Officer, is reviewed annually by the Carilion Clinic Compensation Committee. This committee is made up of Board members of Carilion Clinic, a related organization, who do not have a conflict of interest with any of the executives being reviewed. This review was performed in September and October 2014. A similar review was last performed in October 2015. This review included review of a comprehensive report from an outside compensation consultant specializing in healthcare organizations for select positions and the prior year's report on all of the reviewed positions. The reports reviewed by the Committee included a detailed comparison of total compensation and each element thereof, including base salary, bonuses and other cash compensation, and benefits, including deferred and retirement benefits. Compensation was compared to a peer group of organizations similar in size and structure to the organization, which was reviewed by the Compensation Committee. Detailed minutes of the meetings of the Compensation Committee are kept and approved at the next meeting of the Committee, setting forth the deliberations and decisions regarding executive compensation.
Part I, Line 4b	Select members of management participate in a Pension Restoration Plan. This plan provides a benefit equal to the normal retirement benefit that would be payable to the participant were it not for the Qualified plan's legislative restrictions on compensation and payable benefits, less the actual benefits under the Qualified plan. Entitlement to benefits and consequent lump sum payment occurs upon the earliest of (i) attaining age 65 while employed by Carilion Clinic, (ii) 24 months following involuntary separation from service without reasonable cause, (iii) disability, or (iv) voluntary separation or involuntary separation with reasonable cause prior to attaining age 65 if the participant does not enter into competition with Carilion Clinic during the 24-month period following the participant's separation from service. Upon the death of the participant, the plan shall pay the participant's beneficiary according to plan terms. Select members of management participate in an Executive Flexible Benefit Plan, in which an allowance is provided to the participant for use in obtaining certain insurance benefits. The allowance is determined annually as a percentage of salary at Carilion Clinic's discretion. The amount of allowance in excess of elected benefits is credited to a capital accumulation account (CAA) with a deferred vesting date of at least two years from the first day of the plan year. The CAA shall be distributed in a lump sum upon the earliest of (i) remaining employed by Carilion until the deferred vesting date for such account, (ii) disability, (iii) 24 months following involuntary separation from service without reasonable cause, except that Carilion at its discretion may make a partial tax distribution upon separation, or (iv) 24 months following voluntary or involuntary separation from service with reasonable cause if the participant does not enter into competition with Carilion Clinic during the 24-month period following separation from service. Upon the death of the participant, the plan shall pay the participant's beneficiary according to plan terms. Select members of management participate in a Defined Contribution Supplemental Executive Retirement Plan (DC SERP) in which the employer at the discretion of Carilion Clinic's Compensation Committee makes a contribution to an account established on its books for each eligible participant. If a participant ceases to be a participant prior to the vesting date, the account shall be forfeited. A lump sum distribution shall be made upon the participant's vesting date, death, or disability. Payments during the calendar year under these plans included the following: Nancy Howell Agee \$341,789; Briggs Andrews \$1,349,669.

Form 990, Part VI, Section B, line 12c	Our organization monitors and reviews proposed and current transactions for conflicts of interest in a variety of ways. At the governing board level, we have board members complete an initial (upon appointment) and annual conflict of interest questionnaire to disclose actual or potential conflicts. Board members are required to update their disclosure as needed in between questionnaires. All disclosures are reviewed by the Organizational Integrity & Compliance Office and as needed escalated to the appropriate leaders/board members for further discussion/review. If a disclosure is viewed as an actual or potential conflict, an action is recommended to the Audit & Compliance Committee of the Carilion Clinic Board and is implemented as approved. Actions can include recusal in discussion/voting at board meetings, limitation/termination of the transaction, removal from board appointment or other appropriate controls. In addition, at any time, board members are encouraged to disclose any potential conflicts as they arise at a board meeting and to recuse themselves as deemed appropriate. The same process takes place as described above for key employees (upon hire and annually thereafter), including all Officers, members of the management team, physicians/mid-level practitioners, pharmacists and key supply chain buyers. After review and further discussion as needed, action may be required to manage an actual conflict or to reduce the appearance of such as approved by the Organizational Integrity & Compliance Office and other key management team members. As needed, the governing board leaders are notified of any conflicts which may impact board proceedings.

Form 990, Part VI, Section B, line 15	Executive compensation is reviewed annually by the Carilion Clinic Compensation Committee. This committee is made up of Board members of Carilion Clinic who do not have a conflict of interest with any of the executives being reviewed. With respect to Carilion Clinic, the Compensation Committee reviews the compensation of the Board of Governors which includes the President and Chief Executive Officer, Executive Vice Presidents, Chief Financial Officer, Chief Medical Officer, and Chairs of the Clinical Departments. For the fiscal year covered by this return, the Compensation Committee also used the same process to review the compensation of other Disqualified Individuals, including the Hospital Vice Presidents. This review was performed in September and October 2014. A similar review was last performed in October 2015. This review included review of a comprehensive report from an outside compensation consultant specializing in healthcare organizations for select positions and the prior year's report on all of the reviewed positions. The reports reviewed by the Committee included a detailed comparison of total compensation and each element thereof, including base salary, bonuses and other cash compensation, and benefits, including deferred and retirement benefits. Compensation was compared to a peer group of organizations similar in size and structure to the organization, which list was reviewed by the Compensation Committee. Detailed minutes of the meetings of the Compensation Committee are kept and approved at the next meeting of the Committee, setting forth the deliberations and decisions regarding the compensation of these executives. In addition, the Compensation Committee annually reviews the compensation plan and philosophy for all vice presidents and senior vice presidents, as well as all employed physicians and physicians in leadership roles.
