Return Reference	Explanation
Part X, Line 2	The Hospital, Foundation and Health Foundation are exempt from Federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code and similar state statutes relating to not-for-profit organizations. In addition, the Foundation and the Health Foundation have been classified as organizations other than a private foundation meaning of Section 509(a) of the Internal Revenue Code. Pleasant Valley Home Medical Equipment, Inc., the wholly-owned subsidiary corporation, is not exempt from Federal and state income taxes. Income tax expense, when incurred, is based upon reported income, with deferred income taxes provided on a liability method whereby deferred tax assets are recognized for deductible temporary differences and operating loss and tax credit carryforwards and deferred tax liabilities are recognized for taxable temporary differences. Temporary differences are the differences between the reported amounts of assets and liabilities and their tax bases. Deferred tax assets are reduced by a valuation allowance when, in the opinion of management, it is more likely than not that some portion or all of the deferred tax assets will not be realized. Deferred tax assets and liabilities are adjusted for the effects of changes in tax laws and rates on the date of enactment. Temporary differences result primarily from using accelerated depreciation methods and from reporting bad debts when incurred for tax purposes. Accounting principles generally accepted in the United States of America require the management of the Company to evaluate tax positions taken by the Company. Management has evaluated the Company's tax positions and concluded that the Company has maintained its tax exempt status and had taken no uncertain tax positions that require recognition or disclosure in the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. The Company is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress. The management of the Company believes it is no longer subject to income tax examinations for years prior to the fiscal year ended September 30, 2012.

Form 990, Part VI, Section A, line 2	
Form 990, Part VI, Section B, line 11	The 990 is prepared by the Hospital's independent accountants. It is then reviewed by the CFO and CEO and a copy is provided to the governing board before it is filed with the IRS.
Form 990, Part VI, Section B, line 12c	Each board member fills out a questionnaire at the end of the fiscal year. The questionnaire has questions on it that determine independence status and other relationships between board members and between the board member and the hospital. This helps in determining possible conflicts that may arise. In addition, the board members must sign a conflict of interest policy that requires them with due diligence to state that they have a conflict of interest when that conflict arises. The board member must leave the board meeting during discussions and voting.
Form 990, Part VI, Section B, line 15	The compensation committee is made up of independent board members. These members are appointed by the board. The compensation committee decides the compensation of the CEO and VPs. The compensation committee consults with an independent consultant to determine a fair compensation for the CEO and VPs based on peer data. The Compensation committee has used this study to determine base salary for the CEO and VPs. The CEO contract is taken back to the board for final approval.
