Return Reference	Explanation
Schedule J, Part I, Line 3 Arrangement used to establish the top management official's compensation	In accordance with the Executive Compensation policy of Baptist Health System, Inc. (BHS), the organization's sole member, BHS's Compensation Committee (made up of independent Directors of BHS) engages annually a third party compensation consultant who provides a database composed of current data regarding compensation paid for each executive position by similarly situated tax exempt health systems in the country. These health systems are generally the same size as BHS, considering revenue and other appropriate indicators. The group of comparator companies that is derived based on the above stated parameters comprise the "Market." When the Committee meets with such consultant, the consultant provides to Committee members compensation target levels that are competitive with the Market. Generally, the median of the Market is targeted. The actual amount that health system executives receive as compensation may be higher or lower than the median, depending on the health system and the individual's performance. The objective is to have a strong link between health system and individual performance and executive compensation such that if the health system and the individual perform at an optimal level, his or her compensation is in the higher range of the Market. Conversely, if either the health system or individual performance is below expectation, compensation may be in the lower range of the Market. The minutes of the annual Compensation Committee are recorded by the Committee's compensation consultant and are approved promptly by the Chair of such Committee.
Schedule J, Part I, Line 4b Supplemental nonqualified retirement plan	Baptist Health System, Inc. (BHS), parent affiliate of Baptist Health System Foundation, Inc., has two active Supplemental Nonqualified Retirement Plans (SERPS). One is for certain executives (Supplemental Executive Retirement Plan) and the other is for certain vice presidents (Vice-President Supplemental Executive Retirement Plan). These SERPS are plans described in IRS Section 457(f). The benefits under these plans accrue during each executive's term of employment. These benefits are unvested and subject to forfeiture until the covered employee reaches retirement age.
