management to evaluate uncertain tax positions taken by the Foundation. The financial

statement effects of a tax position are recognized when the position is more likely than

not, based on the technical merits, to be sustained upon examination by the IRS.

Management has analyzed the tax positions taken by the Foundation, and has concluded that

as of November 30, 2015 and 2014, there are no uncertain positions taken or expected to be

taken. The Foundation has recognized no interest or penalties related to uncertain tax

positions. The Foundation is subject to routine audits by taxing jurisdictions, however,

there are no audits for any tax periods in progress. The Foundation's tax returns are

subject to review and examination by federal and state authorities.
