of Charitable Contributions

\$ 28,425

During the current fiscal year, the foundation made distributions to charitable organizations that caused it to have incurred a substantial contraction. These distributions did not constitute a final distribution of the foundation's assets nor was there a plan of substantial contraction adopted by the foundation for the calendar year ended December 31, 2015. The substantial contraction was in part due to the distribution of certain assets previously held by the foundation towards various charitable grants.
