## 2015 Form 990-PF (Part XV) Addendum

### Description of Stipendiary Program

Since its founding in 1872 as the *Home for Old Men and Aged Couples* to its present function as a private foundation, the corporate objectives of the *Isaac H Tuttle Fund* remain unchanged "to provide for the temporal and spiritual welfare of aged persons." Along with a traditional grants program, this is accomplished through a Stipendiary Program that provides financial assistance and supportive care management services for eligible elderly individuals, typically 65 years or older, residing in Manhattan.

Eligible clients are formerly self-supporting and independent elderly persons, typically 65 years of age or older, whose assets have been eroded and who are no longer able to continue living in their own homes without financial assistance. Eligible clients receive supportive care management services from the Isaac H Tuttle Fund in conjunction with their primary case management agency. The goal of the Stipendiary Program is to safely maintain clients in their homes while preserving their dignity and individuality.

Prospective clients are referred to the Isaac H Tuttle Fund from other sponsoring organizations or agencies. The referral guidelines for the Stipendiary Program are posted on the Isaac H. Tuttle Fund's web site, [www.tuttlefund.org](http://www.tuttlefund.org), and available upon request from the Isaac H Tuttle Fund office, but the Application for Assistance is not included on the web site as a separate document. The rationale for this omission is that the guidelines indicate that the referral person who is requesting financial support on behalf of a client must speak with the Director of the Stipendiary Program to review the potential applicant's eligibility for the program, prior to submitting an application. Self-referrals are not accepted. If the potential applicant appears to be eligible for the program, the Director of the Stipendiary Program will send the referral source the requisite Application for Assistance.

In accordance with guidelines for the Stipendiary Program, the referral person facilitates or completes the application that is signed by the client and sends it with a cover letter to the Director of the Stipendiary Program. The application must include all sources of income and expenses necessary to determine financial need, with appropriate supporting documentation. A home visit is required prior to recommending the applicant for a stipend.

The Director of the Stipendiary Program prepares an individual summary for each applicant that is the result of a consistent and evenly applied vetting process to determine financial need. The Executive Director reviews and approves all applicants to be presented to the Stipendiary Committee. The Stipendiary Committee recommends those applicants deemed appropriate for final review and approval by the Trustees at a subsequent Board meeting.

The summary prepared for the Stipendiary Committee contains pertinent information about each applicant including a financial worksheet that documents the need for assistance, without revealing the name of the applicant or any information that would identify the applicant to the Trustees. The names and addresses of clients are not shared with the Stipendiary Committee or the Board of Trustees, in accordance with the policies and practices of the Isaac H Tuttle Fund.

There are no submission deadlines for receipt of inquiries or applications for stipendiary assistance. Inquiries/applications are accepted for review, as they are received. Referral sources and applicants are usually notified within a period of three months.

During 2015, the Isaac H Tuttle Fund provided stipends to 111 clients, of whom one is a couple, in the amount of \$576,709.
