With these changes, the Foundation may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by the taxing authorities, based on the technical merits of the position. The Foundation would recognize interest and/or penalties related to income tax matters in income tax expense. The Foundation does not have any uncertain tax positions as December 31, 2015 and 2014 and did not record any penalties or interest associated with uncertain tax positions. In addition, the Foundation did not record any penalties or interest associated with unrecognized tax benefits. The Foundation's prior three tax years are open and subject to examination by the Internal Revenue Service.
