Part III Statement of Program Service Accomplishments

Check if Schedule O contains a response or note to any line in this Part III ☒

1 Briefly describe the organization’s mission

The mission of Impact Foundation (Impact) is to build the capacity of nonprofits, businesses, and individuals to maximize their community impact with an overall goal to dramatically improve its nonprofit partners' capacity to produce superior results. Impact operates exclusively for charitable, scientific, and educational purposes. To meet its primary purpose, Impact receives and administers donations, makes contributions to, and provides assistance to other nonprofit organizations. Impact has the power to establish, own, operate, control, conduct and maintain various organizations and programs to meet its primary purpose. Impact operates charitable initiatives designed to measurably improve society in areas including economic development, health and healthcare access, education and training, and other philanthropic areas identified by donors.

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? ☐ Yes ☒ No
If "Yes," describe these new services on Schedule O

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? ☐ Yes ☒ No
If "Yes," describe these changes on Schedule O

4 Describe the organization’s program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.

4a	(Code) (Expenses \$ 322,020 including grants of \$ 0) (Revenue \$ 26,164)
ORGANIZATIONAL EFFECTIVENESSImpact and its supporting organization, Achievements Unlimited Foundation, (the "Foundations") recognize that many nonprofit organizations often lack expertise and financial resources to invest in organizational assessments, strategic planning and highly effective fundraising training which will ensure their organization's effectiveness and long-term sustainability. The Foundations partnered with Dakota Medical Foundation through the Impact Institute (Institute) to provide support, education, training, and coaching sessions for nonprofit partner organizations. Since inception in 2005, more than 5,000 nonprofit executives and directors from over 450 nonprofit organizations have learned effective leadership and fundraising concepts through the Institute programs. Nonprofit Board and Management Training. Training boards and key management personnel to operate their organizations in a highly effective and efficient manner is a key education focus for the Foundations. The Foundations have encouraged many area nonprofit organizations to attend the Institute's education and training programs. In 2015, the Institute's education and training programs helped to equip charity organizations to solve complex community challenges through our training and coaching. We were able to train over 100 organizations, particularly in fundraising. Many continued their professional development in the fundraising curriculum and a coaching program titled Funding Logic that was developed at the Institute to build a mastery of fundraising and leadership. A study of 33 nonprofit organizations that participate in fundraising training showed that their public support on Giving Hearts Day increased over a six year period from \$832,018 in donations in 2009 to \$2.4 million in donations in 2015 Grant Writing Services. Since 2005, the Foundations have supported grant writing assistance for health-related nonprofit organizations to generate additional financial resources for their programs. Since the formal addition of grant writing assistance, the Foundations and other regional nonprofit organizations have secured over \$18.4 million in grant funding.	

4b	(Code) (Expenses \$ 297,517 including grants of \$ 0) (Revenue \$ 0)
ECONOMIC DEVELOPMENTThe Foundations support the economic development of North Dakota communities by initiating and funding various initiatives directed at assisting small businesses located in North Dakota. In 2006, Impact in partnership with Dakota Certified Development Corporation (DCDC) established a procurement assistance center (PAC) to provide research, technical assistance, and training to North Dakota small businesses assisting them in securing federal and state government contracts for their goods and services. In 2012, Impact renamed the PAC as a Procurement Technical Assistance Center (PTAC) and was provided funding by the Defense Logistics Agency (DLA), the North Dakota Department of Commerce (NDDC) and DCDC. In 2015, PTAC funding was continued with additional grants from DLA and NDDC. Technical assistance was provided to over 120 North Dakota businesses in 2015. Since inception, Impact's clients have obtained contracts totaling over \$239 million of which approximately \$121 million were Native American business contract dollars. Over 950 North Dakota jobs have been retained and/or created through the efforts of the Impact PTAC. In 2007, Impact entered into a 30-year \$750,000 loan commitment with the USDA Office of Rural Development under its Intermediary Relending Loan Program (IRP). Impact committed an equity contribution of \$187,500 creating a total loan pool of \$937,500 available to qualifying North Dakota businesses at low interest rates. DCDC provided a grant to Impact to meet the equity requirement under the terms of the USDA loan. DCDC manages the day-to-day operations of the loan program under an agreement with Impact. Since inception, Impact has provided nine (9) loans to small businesses in rural communities totaling over \$916,942. As of December 31, 2015 seven (7) loans remain outstanding with balances totaling over \$559,513 as represented in Part X, Line 13, Investments - Program Related (amount shown, \$531,388, is net of allowance for doubtful accounts of \$28,125).	

4c	(Code) (Expenses \$ 775,786 including grants of \$ 326,378) (Revenue \$ 139,169)
COMMUNITY SUPPORTImpact provides grants to support community events, statewide nonprofit organizations and other societal improvement initiatives. Grants were provided for these purposes from established Impact charitable funds and from other grants and donor contributions received by the Foundations. Impact provided funding to restock the food shelter of the Great Plains Food Bank through support of the local Fill-the-Dome program. The Foundations have given back to North Dakota communities impacted by natural disasters. Impact stands ready to provide financial support in the event of future natural disasters by helping to coordinate fundraising efforts in North Dakota. Impact established and maintains a Clubs For Kids Initiative that promotes community youth golf programs by providing clubs, practice and play opportunities to those unable to afford the cost of participation. Fiscal Sponsorships. When aligned with Impact's mission, Impact provides fiscal sponsorship arrangements to community organizations desiring to obtain financial or other support for their charitable projects through grants, or to receive tax-deductible donations from individuals and other contributors through the sponsor. Sponsorship arrangements may range from a project or organization being included completely under Impact's 501(c)(3) umbrella to assistance to an organization establishing their own separate 501(c)(3) organization. TEDxFargo. TEDxFargo is a program of local, self-organized events that bring people together to share entrepreneurial ideas, discussions, and experiences and was planned by a committee of 15 volunteer members and assisted by over 120 community volunteer members. TEDxFargo connects leaders and influencers that are curious about their world, the communities, and their futures. The event was held on July 23, 2015 in downtown Fargo and was attended by a diverse audience including educators, artists, physicians, attorneys, business owners, engineers, students, and other professionals. TEDxFargo had more than 1800 attendees partake in 21 individual presentations. Funding for the event was provided by contributions (\$102,790) and ticket sales. The total cost for the TEDxFargo event was \$189,351 and is included in applicable expense categories under program services expenses in Section IX, Statement of Functional Expenses Longspur Prairie Fund (Longspur). Longspur facilitates three types of projects in western Minnesota including: (1) prairie and wetland restoration involving the planting of marginal farmland with native grasses, forbs, and aquascapes in and around the Red River Valley, (2) support scholarship, education, and research in the arts and sciences directly connected to the area's wildlife, ecology, and agriculture, and (3) develop voluntary habitat adoption strategies in partnership with local farms, businesses, churches, and industries that are passionate about preserving the natural legacy of the region. Longspur is under contract with the Natural Resources Conservation Service (NRCS) to implement specific conservation practices. These practice costs are reimbursable on a cost share basis from the NRCS (75%) and the State of Minnesota's Re-invest in Minnesota (RIM) program (25%). During 2015, Longspur incurred \$118,690 in land reclamation and other costs which are included in applicable expense categories under program services expense in Section IX, Statement of Functional Expenses Women's Impact. Women's Impact works to create opportunities for women to connect and empower each other to make a positive impact in their lives, families and communities. The website (www.womensimpact.org) is developed as an inspiring and supportive online community for women to connect and make an impact in each other's lives. Women's Impact celebrated International Women's Day with an annual event held in March 2015. Women's Impact incurred \$10,670 of costs which are included in applicable expense categories under program services expense in Section IX, Statement of Functional Expenses. Women's Impact was funded by contributions and registrations income during 2015. Venture Youth Alliance (VYA). Upon review of the goals of the Venture Youth Alliance (VYA), it was determined by the remaining Advisory Committee Members and Impact's Board that a shift needed to be made. That shift included ending VYA and applying for a Substance Abuse and Mental Health Administration (SAMHSA) grant to build a coalition to address the need to prevent substance abuse among youth to create a healthier environment for them. A multi-sector coalition (Coalition) was formed in August of 2015, and an application was submitted in March 2016 and was awarded on August 31, 2016 for \$125,000 a year for five years with the opportunity to apply for five additional years at \$125,000 per year. The Coalition submitted a 12 Month Action Plan with SAMHSA which was approved. The Coalition is working with the Fargo Public Schools to create a new survey instrument which will help to identify connectedness within youth. After the survey results are analyzed, additional information within the community affecting youth will be gathered and added to the survey findings. All of this information will be condensed into a user-friendly report on the status of youth in the Fargo Community. This report will be widely disseminated throughout the community and a Blueprint Guidebook will be created to support youth needs. Red River Children's Advocacy Center (RRCAC). During 2015, Impact provided back office support to the RRCAC through processing their weekly accounts payables, biweekly payroll management, general ledger and periodic financial statements, and coordinating the preparation of their annual Form 990.

(Code	(Expenses \$	160,700	including grants of \$	0) (Revenue \$	145,812)
GIVEBACK INITIATIVE Impact launched its GiveBack Initiative in 2006 to inspire donors to substantially increase and improve the impact of their giving of time, talent, and treasure in North Dakota and western Minnesota communities. Grants from Dakota Medical Foundation, Alex Stern Family Foundation and various individual and corporate contributions provided the initial funding for this initiative. The initiative also created new ways of thinking and new approaches surrounding wealth transfer and volunteerism in North Dakota and Minnesota North Dakota Wealth Transfer. The Foundations initially commissioned and funded a North Dakota wealth transfer study in 2005 conducted by the Center on Wealth and Philanthropy at Boston College in Boston, Massachusetts. Impact has distributed the North Dakota Wealth Transfer Study to donors, community leaders, nonprofit organizations, attorneys, accountants, financial advisors, bank, and trust personnel in several North Dakota communities. Another North Dakota Wealth Transfer Report was commissioned by the Foundation in 2011, "Endless Possibilities on the Prairie: Unleashing North Dakota's Great Potential" 2007-2061, and associated data entitled "Communities with Possibilities". The new study concluded that through 2061 North Dakota households will give over \$95 billion to charity and pay an estimated \$39 billion in estate taxes. The supplement to Endless Possibilities is the first ever county level analysis of North Dakota wealth transfer. In 2012, Impact produced two educational videos about the North Dakota Wealth Transfer and the U.S. Wealth Transfer. The initiative's purpose is to provide valuable information to nonprofit organizations so that they can develop their fundraising to individuals, who provide eighty percent of the funding to U.S. nonprofits through private gifts GiveBack Website. The website (www.impactgiveback.org) is designed to provide a one-stop information resource for donors to conveniently locate, review, volunteer and make contributions to over 500 nonprofit organizations in the region. Qualified nonprofit organizations in North Dakota and northwestern Minnesota are encouraged to place their organizational information on the website to easily connect with donors of time, talent and treasure. Donors are able to research and identify their favorite nonprofit organizations and to make contributions directly online using their credit card. Nonprofit organizations are able to utilize the website to receive contributions, and process event registrations. Significant efforts and commitments have been made by Impact to enhance the website in order to better connect donors with nonprofit organizations that fit the donor's charitable goals. Since its 2007 implementation, the online giving website has processed over \$15.0 million for its partner nonprofits Volunteer Initiative. Impact implemented a Volunteer Initiative in 2007 designed to help nonprofit organizations more effectively recruit, train, manage and retain volunteers. The GiveBack website (www.impactgiveback.org) includes a Volunteer page that provides the capability for nonprofit organizations to list their volunteer opportunities and to track the volunteers time spent. Impact partnered with FirstLink, an unrelated 501(c)(3) organization, to connect volunteers with opportunities to serve Giving Hearts Day Initiative (GHD) Initiative. Impact partnered with Dakota Medical Foundation (DMF) to establish the GHD Initiative to build the fundraising capabilities of nonprofit organizations and promote charitable giving in the region. The online giving environment improves efficiency to raise funds for nonprofit programs serving the region. The online giving website at www.impactgiveback.org is used to promote the annual DMF Giving Hearts Day each February and provides donors with an easy-to-use website to make online contributions to their favorite North Dakota and Minnesota charitable organizations throughout the year. Since implementation in 2008, the GHD Initiative has generated over 100,000 contributions for community nonprofit organizations totaling over \$22.6 million. DMF provided over \$2.6 million in matching funds and incentive grants for participating organizations since inception of this initiative. The Giving Hearts Day event held in February 2015 generated 30,528 donations for 287 charitable causes totaling over \$6.9 million in a 24-hour period. The participating nonprofit organizations obtained additional matching funds prior to the event. During 2015, Dakota Medical Foundation provided \$426,003 in matching grants and incentive awards to participating nonprofit organizations. Veteran Emergency Charitable Fund Support Our Veterans (SOV) Fund was established at Impact to receive charitable contributions from donors to support the emergent needs of North Dakota veterans and their eligible dependents not covered under current federal or state programs. Impact has partnered with the North Dakota Veteran's Affairs office to determine eligible veterans and their funding needs. Impact has defined a charitable class of North Dakota veterans to meet the requirements for distributions from the SOV Fund as determined and approved by the fund advisors each November. Impact supports a veteran's giving effort to raise charitable contributions for the SOV Fund utilizing the GiveBack online giving website and other means. Since inception the SOV Fund has generated over \$142,922 in contributions and provided assistance to 89 qualified veteran families.
