Youth Social Entrepreneurship Guidelines

Mission: The Sundance Family Foundation supports youth development and strengthens family stability.

In support of our mission, the Sundance Family Foundation is interested in supporting local organizations that provide youth social entrepreneurial programs or entrepreneurial training programs. The yearly grants are likely to be in the \$5,000 to \$25,000 range. Organizations can apply for, and receive grants each year for three consecutive grant cycles. Organizations that have received grants for three years should wait a year before re-applying.

We believe that this combination of positive youth development, community engagement and entrepreneurship skills training enables mutual transformation of economies, neighborhoods, and individuals.

Funding Parameters

The Foundation invites proposals that fit within either (or both) of the following program options.

Option 1: Youth Social Entrepreneurship

We invite grant proposals from 501(c)(3) organizations for programs that use elements of youth development, community engagement and economic development to create transformation.

Program elements include:

- Positive Youth Social and Emotional Learning (SEL)
- Entrepreneurial Skills Development
- Help youth spark ways to engage and promote their communities
- Program evaluation, benchmarks, and evidence-based outcomes
- Active youth participation in leadership roles specific to program design and implementation, managerial skill development, and social and emotional development in day-to-day operations
- Intergenerational mentoring
- Engage youth from low-income or under-resourced communities between the ages of 12 and 25
- Establish the groundwork for long-term sustainability through career exploration
- Bridges and Pipelines

Option 2: Youth Social Development and/or Entrepreneurship Training

We invite grant proposals from 501(c)(3) organizations for programs that provide youth social development or entrepreneurship training. The difference is that these programs don't have all three required YSE elements. However, they may be important because they might bring something that can be used or modeled to advance the field of YSE. These programs may:

- Focus on Social and Emotional Learning needed for entrepreneurship
 - Social and Emotional Learning with evaluation benchmarks and outcomes
- Teach skills to develop:
 - Financial literacy and personal money management
 - Entrepreneurial and design thinking
 - Business management
 - Career exploration
 - The creation of networks, bridges and pipelines
- Teach skills needed to develop business, marketing and social media plans
- Engage youth from low-income or under-represented communities between the ages of 12 and 25

Geographic Parameters

Sundance Family Foundation focuses giving to organizations whose programming benefits the residents of the following Minnesota and Wisconsin counties: **Hennepin, Ramsey, Washington, Chisago, Polk and St. Croix.**

Proposals must be presented by 501(c)(3) organizations that have been in existence for three years at the time of application to the Sundance Family Foundation.

Program Priorities

Priority is placed on programs that:

- Contain all elements of Youth Social Entrepreneurship
- Address the needs of youth living or working in low-income or under-represented communities

Application Procedures

Sundance is now using an online grants system.

Proposal Deadline

If you wish to apply for a YSE grant in the coming year from Sundance Family Foundation, we must receive your application materials, submitted on line no later than July 16, 2016 by midnight. The Board of Trustees of the Sundance Family Foundation will review proposals throughout the summer and early fall. Decisions will be announced by the end of October.

Estimated Annual Income ("EAI") and Estimated Yield ("EY") calculations are for informational purposes only. The actual income and yield might be lower or higher than the estimated amounts. EY is based upon EAI and the current price of the security and will fluctuate. For certain types of securities, the calculations could include a return of principal or capital gains in which case EAI and EY would be overstated. EY and EAI are not promptly updated to reflect when an issuer has missed a regular payment or announced changes to future payments, in which case EAI and EY will continue to display at a prior rate.

Accrued Interest represents the interest that would be received if the fixed income investment was sold prior to the coupon payment. Estimated Annual Income ("EAI") and Estimated Yield ("EY") calculations are for informational purposes only. The actual income and yield might be lower or higher than the estimated amounts. EY is based upon EAI and the current price of the security and will fluctuate. For certain types of securities, the calculations could include a return of principal or capital gains in which case EAI and EY would be overstated. EY and EAI are not promptly updated to reflect when an issuer has missed a regular payment or announced changes to future payments, in which case EAI and EY will continue to display at a prior rate.

Sundance Family Foundation

Summary of Direct Charitable Activities

12/31/15 EIN 20-0685298 Part IX-A

Sundance is advancing the field of Youth Social Entrepreneurship (YSE) as a promising new intervention to help youth in low-income communities thrive. YSE programs are interventions that integrate practices of positive youth development with community engagement and social entrepreneurship to enable mutual transformation of economies, neighborhoods and individuals. The intended impact is that youth become active, engaged members of their families and broader communities, and sustain themselves with entrepreneurial or other meaningful work.

YSE youth-serving non-profit organizations provide these wrap-around opportunities for youth to take leadership roles. These programs position youth to advance through post-secondary trainings, to obtain advanced degrees, and to become the entrepreneurial and entrepreneurial workforce shaping the economies of their neighborhoods. This type of multi-dimensional, and innovative learning inspires youth to acquire the self-confidence needed to "put poverty out of business."

Sundance has three strategic initiatives to assist youth-serving nonprofit organizations and to create community engagement that support these youth:

- 1) **Evidencing YSE:** Increasing the capacity of youth-serving nonprofits to produce preliminary evidence-based data and analysis
- 2) **Wunderkammers Initiative Community Career Exploratoriums**
Engaging youth, their parents and guardians in playful discovery about careers in manufacturing, construction, trades, healthcare, and discovering in detail the post-secondary certificate or degree programs that lead to immediate job opportunities
- 3) **Bridges and Pipelines:** Creating new mentoring, civic, college, and business partnerships that enable underrepresented youth and youth living in low-income communities to find sustainable work and become civic leaders.

The Foundation's three strategic program areas are designed to:

- Ignite interest and advance the field of Youth Social Entrepreneurship (YSE)
- Inspire and Engage youth, their parents, guardians, and YSE program directors
- Educate about the need for and impact of YSE programs
- Motivate funders to actively support YSE organizations
- Encourage the development of additional YSE programs and supportive ecosystem

- Create community spaces (on-line and face-to-face) for idea exchange, best practices and trainings among youth, organizations, supporters and academic experts in the field
- Catalyze mutual transformations of low-income economies, neighborhoods, youth and their families

The following expenses were incurred by Sundance Family Foundation to support this program and its three initiatives:
