Form 990-PF, Part IX-A – Summary of Direct Charitable Activities

The Foundation's mission is to educate the public regarding world and national history by making a collection of historic maps available for public viewing. Maps have been and will continue to be on display in universities, libraries, museums, hotels, and other public places. In the fall of 2010, the Foundation leased space and began construction to create a gallery to display the Foundation's map collection. In early 2011, the Foundation's museum had its grand opening. The museum is open to the public on the 1st and 3rd Saturdays of each month. No admission is charged for the exhibits and the Foundation pays for any costs related to transportation and insurance when the exhibits are shown elsewhere.
