Total Medical Grants Paid to Individuals		<u>\$ 12,817,504</u>

The Simon Bolivar Foundation (SBF) exists primarily to give the gift of hope to those who are critically ill and unable to pay for treatment. To do this, SBF provides access to specialized medical treatment and financial assistance to these individuals by relieving the burden of excessive medical costs for patients, and their families, located in various countries. Specialized treatments are provided in collaboration with our worldwide network of hospitals and medical institutions. SBF's assistance also includes travel, housing, living expenses, medical devices, prescriptions, funeral arrangements (when needed), and dental care. 135 persons were provided assistance this year. SBF also meets the needs of qualifying individuals in severely distressing situations. Approximately 45-50 CITGO employees volunteer their time to SBF in providing services such as operational, accounting, tax, legal, procurement, audit, and other services. In addition, a number of employees of CITGO's affiliates, including PDVSA, also volunteer their time to SBF's medical programs and disaster relief efforts.
