Part I, Line 3	DMG maintains a Compensation Plan approved by the Board of Directors, and overseen by the Compensation Committee. The voting rights of the Compensation Committee are vested entirely in the community directors (non-employee directors). There is a written policy governing the Personnel Action Committee, which oversees the day to day administration of the Compensation Plan. There is also a written policy for providers who earn compensation in excess of base salary.
Part I, Line 7	The majority of bonus and incentive compensation is based on employee contracts and approved written compensation plans. Annually the Company considers whether a company-wide bonus for all employees is possible based on overall company financial performance for the year. This amount is approved by the Compensation Committee and amounts are determined by the type of employee and the full time status within the company.
Part II, B (iii)	Other reportable compensation - This includes additional pay for services performed outside and/or in addition to their base contractual requirements.
