Facts And Circumstances Test

Current Year Facts and Circumstances CASI solicits funds through a range of media, including the internet, and we receive contributions as mailed checks, via PayPal, GoFundMe, and the United Way Holly Sweeney, PhD who was at KU and became familiar with CASI and some of the service organizations it supports then became a board member, last year resigned from CASI's board and started raising funds for CASI almost full time to solicit and develop more support from the general public and grants from public charities Judith M LeBlanc, PhD has historically been a key supporter for CASI since its inception given her interest in its mission and her wealth, and the Center for Ann Sullivan-Peru run by her friend Dr Liliana Yolanda Mayo However, financial support comes from a wide range of people and entities, geographically and by characteristic The Annie Sullivan Enterprises Inc facilitates fundraising, several albeit smaller donations came from across the eastern seaboard as memorial contributions in 2014, contributions come from individuals and entities resident in nations from Canada south to Peru and from states across the USA, and we even have a designated gift named for CASI due from a community foundation in South Dakota Given that CASI's mission is To work in economically deprived areas to assist children with severe developmental disabilities to function independently in society, anyone with an interest in that mission might be solicited for support for said mission DONOR ACQUISITION AND RETENTION FOCUSES Development of database to track all possible donors ("friends of CASP/CASI" - all people associated in some way with CASP) Donor recognition protocol - implemented written acknowledgement of donations within 3-5 business days for most donations (those directly to TCK, unless over \$5,000, we do not know about until end of month report) Development of a annual communication calendar - both for possible donors as well as actual donors - methods, timing, focused content, purpose, etc that addresses all possible donors "friends of CASP/CASI" Development of consistent donor materials - information we give to possible donors Management of donor data to identify possibilities for increased donations and/or repeat donor activity that is not currently being taken advantage of (can explain more if needed) Development of a "Power of 2 + You" campaign - being slowly launched through friend/donor communication
