Part III Statement of Program Service Accomplishments

Check if Schedule O contains a response or note to any line in this Part III

1 Briefly describe the organization's mission:
Serving Our Children is dedicated to the concept that all students, regardless of income or socioeconomic status, should have access to a quality education. To this end, we believe parents should have access to quality public schools, quality charter schools, and quality private schools. Serving Our Children is focused on ensuring that low income DC families have access to scholarships to enable them to send their children to private schools as one educational option.

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? Yes No
If "Yes," describe these new services on Schedule O.

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? Yes No
If "Yes," describe these changes on Schedule O.

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.

4a (Code:) (Expenses \$ 6,288,863 including grants of \$ 6,001,488) (Revenue \$)
Serving Our Children (SOC) receives funding from the US Department of Education to administer the Opportunity Scholarship Program (OSP). The OSP offers scholarships - sometimes called vouchers - to low income families with school-aged children in the District of Columbia to attend a participating DC private school of their choice. It is funded under the Congressionally enacted Scholarships for Opportunity and Results (SOAR) Act, and is the only federally funded school voucher program in the country. SOC became the Administrator of the OSP effective October 1, 2015. In this reporting period, SOC completed the first installment of the OSP scholarship payments to the parents or guardians of our students. These payments were made to 1,231 DC students to attend one of forty-four private DC participating schools. Our staff engaged in parental outreach, application assistance, vetting the applications, and issuance of OSP scholarships to low income families via a lottery. The OSP is a critical component of ensuring that low income families have the same opportunities as more affluent families in choosing between traditional public schools, charter schools, and quality private schools. Currently, 97 percent of participating children are African-American and Hispanic, and the average income for participating families is less than \$22,000 per year.

 3. Parents or guardians must either receive SNAP benefits (food stamps) or meet the income guidelines of being at or below 185% of the poverty level for first-time applicants or 300% of the poverty level for renewing applicants.
- Once applications are received, all information provided by the parent / guardian is verified by SOC staff and a pool of qualified applicants is entered into a lottery to award the number of scholarships supported by funds authorized by the DOE. These scholarships were in the amounts not to exceed \$9,381 for grades K through 8 and \$12,572 for grades 9 through 12, for the current school year and they must be used at a participating private school located within the District of Columbia.
