X 2	FOOTNOTE FOR UNCERTAIN TAX POSITIONS The Center adopted the recognition requirements for uncertain income tax positions as required by generally accepted accounting principles. Income tax benefits are recognized for income tax positions generally taken or expected to be taken in a tax return, only when it is determined that the income tax position will more-likely-than-not be sustained upon examination by taxing authorities. It is the opinion of management that the Center had no uncertain tax positions that qualify for recognition or disclosure in the financial statements. The Center is subject to examinations by tax authorities for three years following the filing of the return.
