Unrealized gain and loss values are estimates and should be independently verified. Morgan Stanley does not provide tax advice. We recommend that you contact your tax advisor to determine the appropriate use of this information. Past performance does not guarantee future results. Gain and loss information is calculated based upon uniform standards and does not account for each individual client's particular circumstances such as the existence of hedging transactions or constructive sales. Although we make every effort to adjust the cost basis for account's capital changes, we do not adjust the cost basis for all events. Contact your Financial Advisor for guidance on particular questions. For accounts with Choice, Select or trading the commissions paid on your eligible equity and option purchases and sales are applied to the "Total Cost" on a monthly basis. With respect to estimated gains and losses for listed equity options, we have taken into account option premiums paid or received, not in respect to multiple purchases and/or sales, calculated cost using an average unit price for all like positions.
