Form 990, Part VI, Section B, line 15a	The process for determining compensation for the President and CEO is the responsibility of the Organization's seven member Compensation Committee. Five of the members are independent trustees and two are independent directors of the NDSU Alumni Association. The committee annually reviews mutually determined goals and objectives of the incumbent. Salary adjustments are based on a review of similar positions at 19 peer institutions, as determined by the ND State Board of Higher Education. In making salary recommendations, the committee takes advantage of information compiled annually by the College and University Personnel Association (CUPA) for those peer institutions. In turn, the President and CEO evaluates four direct reports using mutually agreed to goals and objectives for each person. The CUPA report is used for salary comparisons for similar positions at peer institutions. The President and CEO's recommendation on salary is forwarded to the Committee for review. As part of the annual budget, all salaries are then approved, in turn, by the Finance Committee and the Executive Committee.
