Local Church Seminars With the use of critical documentation, KIMI educates parents, pastors, church leaders, and children's church workers of the crisis facing our children and young people because of our lack of understanding of what they need and want in their spiritual lives. In these sessions we share what God is doing in children and the world through signs, wonders, and miracles and help leaders and parents release their children into the supernatural world of Jesus. Unique Conferences for Kids Although these three and four day conferences are designed specifically for children ages 6 to 12, entire families come together to be trained in various areas of ministry. These training and equipping events are intended to activate the spiritual gifts in the children and give them a platform in the services for using what they learn. School of Supernatural Children's Ministry The School of Supernatural Children's Ministry is an education course similar to Bible School for the instruction of people wanting serious training and education in ministering to children and teens.
