Facts And Circumstances Test

Return Reference	Explanation
Pt II Ln 17a	Facts and Circumstances
Pt II Ln 17a	Under Treas Reg 1 170A-9(F)(3), an organization is publicly supported if it normally receives a substantial part of its support from governmental units, from contributions made directly or indirectly by the general public, or from a combination of these sources, and meets the other requirements set forth in Treas Reg 1 170A-9(F)(3)
Pt II Ln 17a	Beanstalk Foundation ("Beanstalk") meets all of the requirements to be publicly supported under Treas Reg 1 170A-9(F)(3) for its 2014 tax year
Pt II Ln 17a	First, under Treas Reg Reg 1 170A-9(F)(3)(I) the percentage of support normally received by the organization from the above sources must be substantial See Treas Reg Reg 1 170A-9(F)(3) For purposes of this requirement, an organization will not be treated as normally receiving a substantial amount of governmental or public support unless the amount of the governmental or public support normally received equals at least ten percent of the total support normally received by the organization As already set forth on Beanstalk's 2014 Form 990, Schedule A, Part II, the amount of governmental or public support normally received by Beanstalk equals 15 49% of the total support received by Beanstalk Therefore, the percentage of support normally received by Beanstalk from such sources is deemed to be "substantial"
Pt II Ln 17a	Second, the organization must be so organized and operated as to attract new and additional public or governmental support on a continuous basis An organization will be considered to meet this requirement if it "maintains a continuous and bona fide program for solicitation of funds from the general public, community, or membership group involved, or if it carries on activities designed to attract support from governmental units or other organizations described in sections [170(B)(1)(A) (I)] through [170(B)(1)(A)(VI)] of the Internal Revenue Code "
Pt II Ln 17a	As already described in Beanstalk's initial form 1023 and its yearly forms 990, Beanstalk maintains a significant, continuous and bona fide program for solicitation of funds from the general public Specifically, Beanstalk's core mission is to identify issues or problems within the community ("projects"), and leaders within the community that are uniquely suited to resolving such issues and problems with additional resources and support ("leaders") Upon identifying projects and leaders, Beanstalk uses its web page, social media, events and other resources to (1) educate the general public regarding the importance of such projects to the community, and (2) solicit donations from the general public, where donors wish their dollars to support such projects In essence, Beanstalk's focus is to energize the general public to support identified projects with donations of any size Beanstalk will generally set a fundraising goal with respect to each project and then update project supporters and the general public via Beanstalk's web page At the completion of the fundraising timeframe, if certain due diligence undertaken by Beanstalk is met, Beanstalk will convey the donated funds to directly support the project's particular charitable program or programs Beanstalk's support of projects and leaders has grown in recent years, with corresponding increase in its program to solicit funds from the general public Overall, the scope of such program is significant in light of Beanstalk's charitable activities
Pt II Ln 17a	Third, the organization must satisfy as many of the factors outlined in Treas Reg 1 170A-9(F)(3) (III)(A)-(D) as possible
Pt II Ln 17a	Beanstalk clearly satisfies most of these factors Most importantly, Beanstalk receives its public support by reason of identifying and supporting projects that are of significant interest to a wide segment of the community - including hunger, local food/green growing, persons with developmental disabilities, veterans, health/wellness, safety, the arts, education, and many other areas Importantly, Beanstalk's charitable mission does not involve a special field of relevance only to a limited number of persons - as a basic matter, Benataalk's activities touch a wide and diverse portion of the community
Pt II Ln 17a	Beanstalk's governing body includes its founder, plus two individuals who are not related to the founder Those individuals have significant expertise and knowledge relating to the identification of projects and leaders within the community, and the best use of dollars and assets to support such projects and leaders Importantly, Beanstalk's Board of Directors frequently meets with Beanstalk's "Advisory Board," which generally has around seven to eight members Beanstalk's Advisory Board is comprised of a variety of individuals from all segments of the community who are interested in supporting Beanstalk's mission, and includes nonprofit experts, financials investors/analysts, a lawyer, and individuals within other areas of expertise of relevance to a community-based charitable program Beanstalk's Advisory Board cannot make decisions on behalf of Beanstalk, however, Beanstalk's Board of Directors frequently consults and meets with the Advisory Board - generally on a quarterly basis - to discuss the direction of Beanstalk and how best to accomplish Beanstalk's overall mission
Pt II Ln 17a	Beanstalk's activities result in direct benefits for members of the general public Specifically, when Beanstalk gives monetary and other support to a project, such dollars and support must be used to provide specific charitable services for the benefit of a wide segment of the general public (e g , meals for the hungry, jobs for the developmentally-disabled, support for foster children, assistance for returning veterans or addiction recovery services)
Pt II Ln 17a	The leaders who work with Beanstalk are, by definition, members of the public having special knowledge or expertise in problems, concerns or issues of significance to the community (i e , disabilities, foster children, local food and green growing, education, health and wellness, veterans issues, addiction recovery, poverty/homelessness) - they are selected by Beanstalk as leaders precisely because of such qualification Furthermore, Beanstalk's interaction with leaders is not merely to fundraise for their projects, it is also to educate and assist the leaders so that their projects may achieve sustainability
Pt II Ln 17a	Finally, while Beanstalk's percentage of support from public or government sources is not yet significantly above the ten percent threshold, such percentage has increased since Beanstalk's initial formation Beanstalk's percentage may reasonably be expected to further increase above the ten percent threshold due to Beanstalk's active fundraising program and growing number of projects
