Part 1, Line 2: As part of our Volunteer Program, we visit school sites 2-3 times per year to evaluate those needing classrooms, more

support for disadvantaged students so they are able to go to school and more support to ensure that students are receiving a

quality education. Direct observations of existing and in-process projects are made in order to ensure that goals and

objectives for the expansion of quality educational opportunities in Niger are being met. Initially, our partner organizations

request funds or support for a project with specific goals and objectives. In the case of capital projects, local Nigerien leaders

must meet certain criteria before support is mobilized and transferred. First, they must begin by starting a kindergarten and obtaining

official recognition and accreditation from the Nigerien government. Next, we create, discuss and sign a memorandum of

understanding for the construction of each school building and the development of each school site, which includes

the number and amounts of funds that will be transferred, the monitoring and evaluation process and clear expectations and

responsibilities for our organizations. We transfer the funds to the partner Ecobank accounts as directed in the memorandum of

understanding. With regards to the Student Sponsorship Program, the process is similar. The school

board and director send us the names and photos of students who meet certain criteria, which is primarily dependent

on the families' low-income economic status. In other words, they are unable to afford to send their child to school.

During our visits to Niger, we take updated photos of the students in the program and they make an art project and/ or

write a letter to their sponsor. In addition to visiting the school sites 2-3 times per a year, we communicate by phone and email

weekly with our partners, who send us notice of receipt of funds, photos of projects and programs and reports. We

maintain complete and accurate records documenting the process and results of our programs and projects. Currently, our partners

include the Evangelical Church of Niger, the Deaf School/Association in Niamey and RN-Niger.
