Part III Statement of Program Service AccomplishmentsCheck if Schedule O contains a response or note to any line in this Part III ☐**1** Briefly describe the organization's mission:

Provide families who reside in low income communities quality, developmentally appropriate programs for early childhood. We currently hold a WV state license to provide care for 110 children at a time in the center. We operate from the hours of 6:30am to 11:30pm. This allows parents to have care and services while working and attending school during non-normal business hours.

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? ☐ Yes ☒ No

If "Yes," describe these new services on Schedule O.

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? ☐ Yes ☒ No

If "Yes," describe these changes on Schedule O.

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.**4a** (Code:) (Expenses \$ 235306.35 including grants of \$) (Revenue \$)

The expense of utilities and rent for the childcare center are the largest expense. Providing services to children in WV requires a license through the WV DHHR. The regulations for the types of facility and facility safety measures are extremely important adding additional expense. We currently rent a center with the square footage to provide services for 110 children at a given time, but operate the center in many shifts. This allows the center to care for more than 200 different children in any give day. The facility also has a completely equipped kitchen. This allows our program to participate in the WV Child Nutrition Program. Almost all of our funding is from the two WV government agencies which help provide services for low income children. The revenue for WVDHHR is related to the building and also to employee payroll.

4b (Code:) (Expenses \$ 210427.56 including grants of \$) (Revenue \$)

Payroll is the second largest expense for our program. As stated before we receive funding through the WV agencies to aide low-income children and families so we must follow state regulations. One of the requirements is the staffing and child ratio. We employ a small administration staff that also have the capability of working in the classroom with children and providing services to families. Our largest amount of staff are classroom providers. We also have kitchen and maintenance staff.

4c (Code:) (Expenses \$ 107332.62 including grants of \$) (Revenue \$)

Children's Meals are the third largest expense for our program. We currently work with the WV Child Nutrition Program which is an agency that works under the USDA. The WV Child Nutrition Program requires that a program work under the regulations of the USDA to provide quality meals to children. Our center uses this program in the same manner as the public school system. We follow the regulations for providing children and families with nutritional education, physical activity and general healthy life style knowledge. In return the WV CNP helps reimburse the cost of the meals, labor, education, and other costs associated. The goal is to teach children the benefits and importance of nutritious meals and physical activity. We recently even partnered with local farmers to provide a farm to table service so the children gain some agricultural experience and have the opportunity to eat local fruits and vegetables while developing relationships with farmers in our community.

4d Other program services (Describe in Schedule O.)
