Expense Methodology	The hospital's financial assistance policy does not permit the cost of patients who are uncooperative or unable to be located to be reclassified from bad debt to financial assistance. The hospital's financial assistance policy requires an application and supporting documentation. Therefore, zero dollars are being reported on Part III, Line 3 as amounts included in bad debt that could be attributable to patients eligible under the hospital's financial assistance policy. The hospital follows the Catholic Health Association of the United States policy document, Community Benefit Program, A Revised Resource for Social Accountability ("CHA guidelines") for determining community benefit. The CHA guidelines recommend that hospitals not include bad debt expense as community benefit.

Schedule H, Part III, Line 4 Bad debt expense - financial statement footnote	The hospital's audited financial statements do not contain a footnote that describes bad debt expense. The hospital elected to early adopt ASU 2011-07. Accordingly, bad debt expense is reflected as a deduction from revenue rather than an operating expense. Notes to Consolidated Financial Statements, B. Significant Accounting Policies, Net Patient accounts and Net Patient Service Revenue (page 13) states net patient accounts are reduced by an allowance for doubtful receivables based upon the historical collection experience of each regional affiliate adjusted for current environmental risks and trends for each major payor source. Significant provision is made for self-pay patient accounts in the period of service based upon past collection experience.

Collection practices for patients eligible for financial assistance	Patients known to qualify for charity care or financial assistance are not sent to a collection agency The organization repeatedly offers patients access to financial help during their hospital stays and after, as well as with each billing notice. Bills are sent to a collection agency as a last resort and only when patients have the ability to pay some portion of their healthcare expenses but refuse to do so, when patients refuse to work with the organization to determine if they qualify for free or discounted care via federal, state, local or hospital assistance programs, when the organization is unable to locate the patient or person responsible for the bill

CMHP provides a copy of the policy, or a summary thereof, and financial assistance contact information to patients as part of the intake process and with discharge materials. Additionally, a copy of the policy or a summary along with financial assistance contact information is included in patient bills. CMHP discusses with the patient the availability of various government benefits, such as Medicaid or state programs, and assists the patient with qualification for such programs, where applicable. The Hospital Eligibility Link Program (HELP) is a free referral service provided by CMHP. The purpose of HELP is to assist patients in obtaining medical benefits through federal, state, and hospital programs. HELP representatives will provide the following services at no cost to the patient. * Explore eligibility under public assistance programs. * File applications on patient's behalf. * Schedule and attend appointments. * Provide transportation when necessary. * Provide medical documentation to Social Security Administration for disability claims. Through HELP, patients and their counselors look at what options are available. CMHP understands that not everyone can pay for healthcare services. HELP is here to offer options and assistance for those who are uninsured or underinsured. HELP is an extension of CHMP's mission to improve the health of our community with emphasis on the poor and underserved. Meeting the needs of those with limited resources has always been the heart of our mission. CMHP is proud to make our financial assistance information available to the public through our website, which can be found at www community-mercy org. Form 990, Part VI, Line 15a Process to establish compensation of top management official	The organization's formal process for determining total compensation for the CEO and other officers and key employees is intended to provide reasonable compensation for accomplishing the organization's mission, to recognize performance, and to operate in keeping with the organization's obligations as a tax-exempt charitable organization. The Compensation & Evaluation Committee of the organization's Board of Trustees conducts an annual review of the compensation and performance of the CEO and other officers and key employees. In doing so, the Committee retains a qualified independent compensation consultant to conduct a competitive market analysis annually of the market ranges of base, incentive, and total cash compensation. The Committee utilizes that analysis and other appropriate information in connection with its annual review and adjustment of compensation ranges. It also reviews and recommends to the full board the threshold, target, and maximum incentive awards for which the listed individuals may be eligible, based upon the organization's performance results for community benefit, quality, and financial performance. The committee's recommendations concerning salary range adjustments and incentive awards go to the full board for approval. The committee, with full board approval, determines the adjustment to the ceo's base compensation and incentive award, within such established parameters. For the coo, cao, evp, and svp positions, adjustments and incentive awards are approved by the organization's ceo within such parameters. Adjustments and awards for other listed individuals are recommended by the supervising executive. Base salary adjustments and incentive awards are disclosed to the committee. A formal performance appraisal process is incorporated in the compensation adjustment and award process. It utilizes a multi-perspective approach and performance measures which are linked to the organization's long-term strategic plan, achievement of annual system objectives, and personal objectives.
