The Organization recognizes the financial statement benefit of a tax position only after determining that the relevant tax authority would

more-likely-than-not sustain the position following an audit. For tax positions meeting the more-likely-than-not threshold, the amount

recognized in the financial statements is the largest benefit that has a greater than 50 percent likelihood of being realized upon ultimate

settlement with the relevant taxing authority. As of December 31, 2015 and 2014, the Organization has no tax positions for which the statute

of limitations remains open which do not meet the more-likely-than-not threshold. Open tax years include 2014, 2013, and 2012.

Schedule I, Part I, Line 2: Procedures for Monitoring Grant Funds Use

Proposals are judged on their ability to meet Interact for Health's eligibility requirements and selection criteria. For most grants, once awarded, a meeting is scheduled with the grantee to review Interact for Health's grant monitoring process. Grantees are required to review and sign-off on a Grant Agreement prepared by Interact for Health, agree to a grant disbursement schedule, and finalize a project evaluation plan. Grantees are required to submit an annual report to Interact for Health, and participate in an annual site visit with a Senior Program Officer or grants management support consultant. Annual progress reports include a financial report that must be signed by the grantee organization's Chief Financial Officer. If for any reason, a grant is not achieving its objectives, Interact for Health may invoke the "revocation clause" of the grant agreement and modify or terminate a grant.

In establishing the President's compensation, factors reviewed by the Executive Committee included (i) a Board evaluation of the President's individual performance, (ii) the performance of the organization, (iii) the President's length of service, credentials and experience, (iv) the elements of the President's total compensation and his salary history, (v) the organization's compensation targets and raise pool, and (vi) comparability data, including recommendations prepared by and reviewed with the Executive Committee by the independent compensation consultant. After considering these factors, the Committee established the President's 2015 compensation. In acting to establish the President's compensation, the Executive Committee determined the President's total compensation to be reasonable and in the organization's best interest and for its benefit. At the next meeting of the organization's full board, the Executive Committee reported, in an executive session that did not include the President, the compensation of the President and the basis for the Executive Committee's compensation decisions. The Executive Committee contemporaneously documented in minutes its deliberations concerning the President's compensation.

Part VI. Section B. Line 15b. The 2015 compensation for the organization's 'Executive Vice President and Chief Operating Officer', 'Executive Vice President, Chief Financial Officer and Treasurer', 'Vice President, System Strategies', and 'Secretary and Assistant Treasurer' (the "Officers") was established in late 2014 by the President & CEO with approval of independent members of the organization's Executive Committee. The Executive Committee retained an independent compensation consultant to advise it concerning the reasonableness and effectiveness of each Officer's total compensation. The independent compensation consultant met with the Executive Committee when it established the Officers' compensation. The Officers were not present when the Executive Committee discussed and established their compensation.

In establishing an Officer's compensation, factors reviewed by the Executive Committee included (i) a review of the Officer's individual performance by the President and Chief Executive Officer, (ii) the performance of the organization, (iii) the Officer's length of service, credentials and experience, (iv) compensation recommendations by the President and Chief Executive Officer, (v) the elements of each Officer's total compensation and a salary history, (vi) the organization's compensation targets and raise pool, and (vii) comparability data, including recommendations prepared by and reviewed with the Executive Committee by the independent compensation consultant. (The Organization's President and CEO is independent of the Officers.) After considering these factors, the Committee established each Officer's 2015 compensation. In acting to establish each Officer's compensation, the Executive Committee determined the Officer's total compensation to be reasonable and in the organization's best interest and for its benefit.
