	The positive and practical influence of HIM has continued to increase yearly as the ripples continue from the long term relationships & the investments made over the past 14 years. Although it is nearly impossible to measure the amount of training, discipleship, educating, encouragement, networking and ministering that takes place daily, HIM sees the impact of the efforts through changed lives, generations changed, and the number of believers growing. HIM continues to expand into 20 countries, with over 390 staff and partners who directly influence at least 90,000 people around the world. Over 2,000 orphans and students in over 35 schools and orphanages are directly reached - primarily in India, Pakistan and Nicaragua. Transportation, such as new vehicles, scooters, motorcycles and bicycles have been provided to many, enabling them to reach, help and minister to thousands in very rural areas, who would otherwise be unreached. Thousands of people are also helped in practical ways through education, supplies and weekly programs in more than 650 churches, home groups or mission centers. HIM has also partnered with other organizations to meet the needs of those in underdeveloped or underserved areas of the world or those needing disaster relief. For example, to meet the physical needs, many items such as medical, hygiene and dental supplies and over 130 water filters have been distributed.
