America On Track's Emerging Leaders program is a unique, multi-faceted afterschool program designed to inspire today's youth to become tomorrow's leaders through a focus on the development of strong leadership and public speaking skills in order to help create a brighter future. It is a huge time commitment because it pairs outstanding teens with 4th through 6th grade students in a very structured afterschool program that requires weekly attendance from 2:30 pm to 6:30 pm throughout the entire school year (30 sessions). America On Track staff members lead the program that provides the following components: Leadership Training, effective Public Speaking Skills Coaching, Training on How to Become a Successful Mentor, Social & Character Development, Nutrition Education, Music Appreciation as well as Fitness & Recreation, and much more. The teen leaders participate in the leadership process provided by America On Track, and their many talents and skills are incorporated into various components of the program. The teens receive intensive and ongoing training and are coached to assist in presenting lessons. It is a synergistic approach to developing future leaders. Our Emerging Leaders program is designed to benefit the teens and the elementary school students as well as our communities.

America On Track's Brighter Futures for Children of Prisoners program is a holistic and multi-faceted comprehensive approach to helping the most vulnerable children of Orange County. For 13 years now, the successes of our Brighter Futures program for children of prisoners has been based on 5 interwoven components: a one-on-one mentoring program with trained and carefully selected adults who meet with their mentees every week for 2 hours per week, STEM workshops on a quarterly basis to promote a useful and fun approach to science, a "College Is For Me Too" summer educational/inspirational camp at a college campus to demonstrate that college is attainable and enjoyable, free age-appropriate books, and special outing. Additionally, nutritional seminars and wraparound services are provided to the guardians. Since the cost of incarceration is now 69 billion dollars per year nationwide and Orange County is #7 in the Nation in prison population, and 1 of every 5 CA discretionary dollars goes to incarceration, this is a problem of great magnitude. The children of incarcerated parents (over 20,000 in OC alone) who did not choose these parents are predicted to follow in their footsteps if they do not receive support and guidance. AOT is the only nonprofit in OC providing comprehensive services to these "forgotten" children. During FY2015, AOT served 509 unduplicated individuals.
