Part I, Line 2 - Procedures for Monitoring Use of Grants Funds in U.S.

United Way only provides Community Action Fund allocation grants to human service agencies that have successfully been certified by our board as meeting standards of efficiency, effectiveness, and governance. The amounts of these grants are based on a separate application in which the agency describes past results and anticipated outcomes. Formal re-certification and re-allocation processes are conducted triennially (and alternate so agencies participate in one process every 18 months), and agencies submit financial, administrative, and programmatic documentation annually. We also evaluate the outcomes of any other projects (for example, those funded through grants we've received) via periodic reports, participation in project meetings, and as appropriate, on-site visits.
