Part I, Line 3c	The Organization provides a 20% to 80% discount when income levels meet 190% down to 101% of the Federal Poverty Guidelines (FPG) For example, an 80% discount is given for income ranges from 101% to 120% of the FPG

Form and Line Reference	Explanation
Part I, Line 7	Charity care, Medicaid and Other Mean's Tested was converted to cost using the cost-charge-ratio derived from Worksheet 2 Community health improvement services, health professions education, and cash and in-kind contributions are reported based on actual expenses recorded to the general ledger

Form and Line Reference	Explanation
Part I, Line 7g	N/A

Form and Line Reference	Explanation
Part I, Ln 7 Col(f)	The amount of bad debt expense removed from the denominator of the calculation was \$608,400

Form and Line Reference	Explanation
Part II, Community Building Activities	In 2015, SCMC supported several significant health related community initiatives such as the Regional Fitness Center, Habitat for Humanity, and the local chapter of the American Cancer Society to name just a few We also paid over \$59,000 in local real estate taxes for our three medical clinics, which would certainly have a positive impact on the health of the communities we serve

Form and Line Reference	Explanation
Part III, Line 2	Bad debt expense is reported at charges as recorded by the Organization

Form and Line Reference	Explanation
Part III, Line 3	The estimated amount of bad debt expense attributable to patients eligible under the organization's charity care policy is 24% because that is the amount of applications that were denied due to lack of information or no response to Charity Care application process. The full amount of this is not reflected in Part I, line 7 and is considered community benefit. Had the appropriate information been provided and applications completed, this amount would have been considered charity care. Bad debt expense is reported net of discounts and contractual allowances. A payment on an account previously written off reduces bad debt expense in the current year.

Form and Line Reference	Explanation
Part III, Line 4	The footnote to the Organization's financial statements that describes bad debt expenses is located in Footnote 1 on page 7 of the attached financial statements

Form and Line Reference	Explanation
Part III, Line 8	Medicare allowable cost is based on the Medicare Cost Report. The Medicare Cost report is completed based on the rules & regulations set forth by Centers for Medicaid and Medicare Services. Stevens Community Medical Center is an acute care hospital. There was a shortfall for 2015 due to sequestration. Even though Medicare was at a loss, the Hospital provides services to these patients because access to healthcare and individual's health is important to the Hospital. Therefore, the Medicare shortfall is considered a community benefit.

Form and Line Reference	Explanation
Part III, Line 9b	We follow the "MN Attorney General Agreement" guidelines regarding debt collection. The "MN Attorney General Agreement" outlines billing and collections practices we have agreed to follow for our patients. Some of those practices include: We do not attempt to collect a debt unless it is determined insurance has been billed and there is a reasonable basis to believe the patient owes the bill, that we have offered reasonable payment plans and will not refer to a collections agency if patients are meeting these payment terms, we have given patients the opportunity to apply for financial assistance, we allow for negotiation directly with us on complaints from patients after they have been sent to collections and that we agree to charge uninsured patients no more than what we would be reimbursed by our largest insurer.

Form and Line Reference	Explanation
Part VI, Line 2	Many of our department heads are members of other boards or organizations throughout the community. These include the Chamber of Commerce, the Morris Area Community Development Committee, and Morris Area Child Care Center in addition to others. The information obtained from participating in these committees is utilized to continually assess the appropriateness of existing services and the need for potential new areas of health related opportunities. Conference committee meetings are also used to get input from all employees, who are also consumers of our services, regarding areas of potential growth. A Community Needs Assessment was completed in 2013.

Form and Line Reference	Explanation
Part VI, Line 3	Stevens Community Medical Center provides a copy of our charity guidelines and financial assistance contact information to interested patients as part of our intake/screening process, self-pay patients (particularly inpatients) are asked if they have financial concerns and are referred to a financial counselor thereafter if a need is discovered. A variety of tools are used to determine potential needs through the registration, prior authorization, and billing processes - social worker's referral, identification of uninsured or underinsured status, and/or a previous history of inability to pay. We also post financial assistance contact information for persons interested in applying for Charity Care and/or Medicaid in patient common areas such as registration, waiting areas, physician rooms and the Cashier's office. In addition, if payments are not being made after 2-3 statements have been sent, a Financial Counselor will call to inform the patient of their options. At that time, we would send out an application for Charity Care, discuss with the patient the availability of various government benefits, such as Medicaid or state programs, and assist the patient with qualification for such programs, where applicable.

Form and Line Reference	Explanation
Part VI, Line 5	As described earlier, SCMC has a community Board of Directors. Medical staff privileges are extended to all qualified physicians in the community. We also own and operate an adult foster care facility which specializes in the terminally ill. This is currently subsidized by community donations. The Emergency Room is open 24 hours a day 7 days a week and is open to all patients regardless of ability to pay. All our employed physicians attend several educational opportunities, as do the balance of our licensed and professional staff. SCMC works to provide education to staff or opportunities for education on the latest most up to date care techniques and strategies as well as education related to compliance, billing, fraud, abuse and other regulatory rules. SCMC also works with a variety of higher education schools to provide onsite internships, residency experience, and fieldwork. Every dollar generated in excess of expenses at SCMC is reinvested in the organization to improve the services offered to the communities we serve. This includes effectively funding the depreciation of our building and equipment, investment in facilities and equipment, expansion of services to meet community need, and investment in education of staff to provide high quality effective care to our community members. The community health service activities are designed to complement the identified health needs in our area. Some of the specific reported services, such as men's and women's health nights, have educated the public on preventative health initiatives and have also identified previously undetected health risk factors for participants. SCMC also promotes community health with partnerships with other community groups such as the Farmer's Market, local food drop, local elementary/high school education programs, providing an athletic trainer to the local high school, and a community health group that coordinates activities such as the Fall Into Health. SCMC's dietician and diabetic educator provide diabetes presentations to local service groups. Much of the emphasis associated with these events is toward prevention and early detection. We are also acutely aware of the fact that a large percentage of the population we serve are senior citizens and value the benefit of the free transit services we provide for clinic appointments. Charity care is also provided through many reduced price services and free SCMC programs and information offered throughout the year based on activities and services which SCMC believes will serve a bona fide community need. These include various brochures to educate patients, staff speaking for a variety of community events including SCMC sponsored "health nights", elderly and adult education, sponsoring a smoking cessation program and a variety of other "wellness" type programs at subsidized cost, providing meeting facilities for various community groups, offering support groups, and providing assistance to educators through our work with student nurses. SCMC provides many opportunities for community involvement through volunteering. Approximately 150 people volunteer for a variety of activities at SCMC. Volunteers are from a wide range of ages including youth from the local schools.

990 Schedule O, Supplemental Information

Return Reference	Explanation
Form 990, Part VI, Section A, line 8b	The organization does not have any committees with authority to act on behalf of the governing board
Form 990, Part VI, Section B, line 11	Prior to filing, the 990 is reviewed in detail by the Vice President of Finance and President/CEO. The Board of Directors is given the opportunity to review a copy prior to filing. A copy of the Form 990 is attached to the state filing. The state filing requires a Board Resolution approving the filing. During that time the board is briefed on information contained within the Form 990.
Form 990, Part VI, Section B, line 12c	The organization has two conflict of interest policies - one that covers officers and directors and one that covers other management staff (including other key employees, if applicable). Potential conflicts identified by officers and directors are reviewed by the remaining board members, those identified by management are reviewed by the President/CEO. Officers and directors are to abstain from voting on any such matter where they have a potential conflict of interest. The President/CEO evaluates each potential conflict identified by management on an individual basis in order to determine the appropriate restrictions to put in place.
Form 990, Part VI, Section B, line 15a	SCMC participates in the MN Hospital Association compensation survey as well as refers to a compensation review that includes 49 hospitals in MN. In addition, SCMC has hired a compensation consultant to review the CEO salary on occasion. The board entered into a 5-year compensation contract with the CEO at the beginning of 2010, which fixed his salary for that length of time, based on market analysis. The President/CEO reviews salary ranges for officers and key employees of the organization on an annual basis. SCMC receives an annual assessment from Merritt-Hawkins (a recruiting firm) regarding compensation ranges for primary care and specialty physicians. This information is specific to different geographic regions, as well as for groups versus private practices. The President/CEO also reviews the AMGA (American Medical Group Association) compensation survey for physician compensation and the MHA (Minnesota Hospital Association) compensation survey for the Vice President of Finance compensation annually.
Form 990, Part VI, Section C, line 19	The audited financial statements, governing documents and conflict of interest policy are made available to the general public upon request. The audited financial statements are also attached to the Form 990.
