Return Reference	Explanation
Part I, Line 1a	Executives receive reimbursement for personal medical expenses at an amount grossed-up for taxes. All executives in the senior management benefit category are eligible to have health or fitness club fees paid directly to the club, or reimbursed to them on evidence of payment. Senior executives whose duties include meeting with people outside the company for purposes of developing business relationships have company paid memberships at a local country club. 13 Employees received taxable medical expense reimbursements and 6 employees received club dues reimbursements.
Part I, Lines 4a-b	Senior level executives of the company are entitled to an annual flexible benefit equal to 20% of the midpoint of their salary range. This 457(f) supplemental benefit plan complies with the final regulations under Section 409A and 457(f) of the Internal Revenue Code. Participants may elect the benefit to be used to purchase particular insurance benefits, invested in a capital accumulation account, or a combination of the two. Benefits are accrued on a monthly basis and are subject to the Substantial Risk of Forfeiture Agreement signed by the participants. Plan contributions are made on a quarterly basis. During 2015, Kim Barnas received a severance payment of \$116,669.
Part I, Line 7	Executive At Risk Compensation Plan. The plan objectives are to enhance ThedaCare Inc's ability to achieve its goals by providing a tool for stimulating and rewarding superior levels of performance among key executives, improve ThedaCare Inc's ability to compete with other employers for high talent executives and to encourage top-level executives to work together as a cohesive group toward common goals. The president of ThedaCare Inc. develops a list of senior level executives who are eligible to participate in this plan, as well as the performance levels the senior executives must achieve and the bonus amounts that the executives will receive. The president then submits this list to the executive committee of the board of trustees for final approval. These executives must be in active regular service of ThedaCare Inc. for the entire plan year (January 1, 2014 to December 31, 2014) to receive their 2015 bonuses. If the employee retires, becomes disabled, moves to a position that is eligible under the bonus plan or moves to a position that is no longer eligible for the bonus plan or dies, the plan will be prorated for the amount of time they served the company. If an eligible employee is fired or leaves the company for any other reason the plan bonus earned will be forfeited. Caring for Success. The plan objectives are to provide incentive to focus the organization's resources, energy and attention on the fulfillment of ThedaCare's mission. Employee eligibility is based on the number of hours worked, and all eligible employees share in the payout. The payout amount is determined based on both financial and employee health and safety thresholds. The amount per employee is determined by dividing the total gain realized (the employee share) by hours paid to all eligible employees. The resulting dollar unit payout is multiplied by an individual employee's number of hours paid. This plan is overseen by an administrative committee. The ThedaCare Board of Trustees must approve the plan.
